NOTES TO UNAUDITED INTERIM CONSOLIDATED CONDENSED FINANCIAL STATEMENTS

March 31, 2007

The accompanying Unaudited Consolidated Condensed Financial Statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") for interim financial statements and the instructions to Form 10-Q and Rule 10-01 of Regulation S-X. The year-end condensed balance sheet data was derived from audited financial statements, but does not include all disclosures required by accounting principles generally accepted in the United States of America. In the opinion of management, all adjustments (consisting only of normal recurring adjustments) considered necessary for a fair statement of the results for interim periods have been included. Results for interim periods should not be considered indicative of results for a full year. These financial statements should be read in conjunction with the Consolidated Financial Statements and Notes thereto included in the Company's most recent Form 10-K filed February 23, 2007.

NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of DENTSPLY International Inc., as applied in the consolidated interim financial statements presented herein, are substantially the same as presented on pages 56 through 63 of the Annual Report on Form 10-K for the fiscal year ended December 31, 2006, except for the following:

FIN 48

In June 2006, the Financial Accounting Standards Board ("FASB") issued FASB Interpretation No. 48 ("FIN 48"), "Accounting for Uncertainty in Income Taxes - an interpretation of FASB Statement No. 109, Accounting for Income Taxes," which clarifies the accounting for income taxes. FIN 48 prescribes a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. The Interpretation requires that the Company recognize in the financial statements, the impact of a tax position, if that position is more likely than not of being sustained on audit, based on the technical merits of the position. FIN 48 also provides guidance on derecognition, classification, interest and penalties, accounting in interim periods and disclosure. The provisions of FIN 48 are effective beginning January 1, 2007 with the cumulative effect of the change in accounting principle recorded as an adjustment to opening retained earnings. As a result of the implementation the Company recognized a \$3.8 million increase to reserves for uncertain tax positions.

The total amount of gross unrecognized tax benefits, as of the date of adoption, is approximately \$48.7 million. Of this total, approximately \$37.8 million (net of the federal benefit of state issues) represents the amount of unrecognized tax benefits that, if recognized, would affect the effective income tax rate. It is reasonably possible that certain amounts of unrecognized tax benefits will significantly increase or decrease within 12 months of the reporting date of the Company's consolidated financial statements. Changes due to statute closure could include unrecognized tax benefits for acquisition and tax restructuring activities of approximately \$4.0 million, \$2.0 million of which will have no impact upon the effective income tax rate.

The total amounts of interest and penalties, as of the date of adoption, are \$7.8 million and \$3.9 million, respectively. The Company has consistently classified interest and penalties recognized in its consolidated financial statements as income taxes based on the accounting policy election of the Company.

The Company is subject to U.S. federal income tax as well as income tax of multiple state and foreign jurisdictions. The significant jurisdictions include the U.S., Switzerland and Germany. The Company has substantially concluded all U.S. federal income tax matters for years through 2003, resulting in the years 2004 through 2006 being subject to future potential tax audit adjustments while years prior to 2004 are settled. The Company is not currently under audit for U.S. Federal Income Tax purposes. The taxable years that remain open for Switzerland are years 1996 through 2006. For Germany the open years are from 1998 through 2006.

Revisions in Classification

Certain revisions of classification have been made to prior years' data in order to conform to current year presentation.

New Accounting Pronouncements

In February 2007, the FASB issued Statement of Financial Accounting Standards No. 159 ("SFAS 159"), "The Fair Value Option for Financial Assets and Financial Liabilities." SFAS 159 permits entities to choose to measure financial instruments and certain other items at fair value that are not currently required to be measured at fair value. This will allow entities the opportunity to mitigate volatility in reported earnings caused by measuring related assets and liabilities differently. SFAS 159 is effective for financial statements issued for fiscal years ending after November 15, 2007. The Statement should not be applied retrospectively to fiscal years beginning prior to that effective date, except as permitted for early adoption. The Company is currently evaluating the impact of adopting SFAS 159 on the financial statements.

In September 2006, the FASB issued Statement of Financial Accounting Standards No. 157 ("SFAS 157"), "Fair Value Measurements," which requires the Company to define fair value, establish a framework for measuring fair value in GAAP, and expand disclosures about fair value measurements. SFAS 157 applies under other accounting pronouncements that require or permit fair value measurements. SFAS 157 is effective for financial statements issued for fiscal years beginning after November 15, 2007, and interim periods within those fiscal years. The Company is currently evaluating the impact of adopting SFAS 157 on the financial statements.

NOTE 2 – STOCK COMPENSATION

The Company has stock options outstanding under three stock option/equity incentive plans (1993 Plan, 1998 Plan and 2002 Amended and Restated Plan ("the 2002 Plan")). Further grants can only be made under the 2002 Plan. Under the 1993 and 1998 Plans, a committee appointed by the Board of Directors granted to key employees and directors of the Company, options to purchase shares of common stock at an exercise price determined by such committee, but not less than the fair market value of the common stock on the date of grant. Stock options generally expire ten years after the date of grant under these plans and grants become exercisable over a period of three years after the date of grant at the rate of one-third per year, except that they become immediately exercisable upon death, disability or qualified retirement.

Grants of equity compensation to key employees are administered by the Human Resources Committee of the Board of Directors. Each non-employee director receives an automatic grant of non-qualified stock options to purchase 20,000 shares of common stock on the date he or she becomes a non-employee director and an additional 20,000 options on the third anniversary of the date the non-employee director was last granted an option.

The 2002 Plan authorized grants of 14.0 million shares of common stock, plus any unexercised portion of canceled or terminated stock options granted under the DENTSPLY International Inc. 1993 and 1998 Plans, subject to adjustment as follows: each January, if 7% of the outstanding common shares of the Company exceed 14.0 million, the excess becomes available for grant under the Plan. The 2002 Plan enables the Company to grant "incentive stock options" ("ISOs") within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended, to key employees of the Company, and "non-qualified stock options" ("NSOs"), which do not constitute ISOs to key employees and non-employee directors of the Company. The 2002 Plan also enables the Company to grant stock, which is subject to certain forfeiture risks and restrictions ("Restricted Stock"), stock delivered upon vesting of units ("Restricted Stock Units" or "RSUs") and stock appreciation rights ("SARs"). ISOs and NSOs are collectively referred to as "options." Options, Restricted Stock, Restricted Stock Units and SARs are collectively referred to as "awards." Such awards are granted at exercise prices not less than the fair market value of the common stock on the grant date. The number of shares available for grant under the 2002 Plan as of March 31, 2007 was 6,576,966 shares.

Non-Qualified Stock Options

On January 1, 2006, the Company adopted Statement of Financial Accounting Standards No. 123 (revised 2004) ("SFAS 123(R)", "Share-Based Payment," using the modified prospective method. Under the prospective method, compensation cost includes: (a) compensation cost for all share-based payments granted prior to, but not yet vested as of January 1, 2006, based on the grant date fair value estimated in accordance with the original provisions of SFAS No. 123, "Accounting for Stock-Based Compensation," and (b) compensation cost for all share-based payments granted subsequent to January 1, 2006, based on the grant-date fair value estimated in accordance with the provisions of SFAS 123(R). The total compensation cost related to non-qualified stock options recognized in the operating results for the three months ended March 31, 2007 was \$3.1 million. These costs were allocated appropriately to either cost of products sold or selling, general and administrative expenses. The associated future income tax benefit recognized during the three months ended March 31, 2007 was \$0.8 million. There were 3,219,607 non-qualified stock options unvested as of March 31, 2007. The remaining unamortized compensation cost related to non-qualified stock options is \$20.3 million, which will be expensed over the weighted average remaining vesting period of the options, or 1.6 years. Cash received from stock option exercises for the three months ended March 31, 2007 was \$13.3 million. It is the Company's practice to issue shares from treasury stock when options are exercised. The estimated cash tax benefit to be realized for the options exercised in the three months ended March 31, 2007 was \$2.6 million. The aggregate intrinsic value of stock options exercised in the three months ended March 31, 2007 was \$8.5 million and the aggregate intrinsic value of the outstanding stock options as of March 31, 2007 was \$104.4 million.

Under SFAS 123(R), the Company continues to use the Black-Scholes option-pricing model to estimate the fair value of each option awarded. The following table sets forth the assumptions used to determine compensation cost for our non-qualified stock options issued during the three months ended March 31, 2007:

	Weighted Average Three Months Ended March 31, 2007	
Per share fair value	\$	8.57
Expected dividend yield		0.49%
Risk-free interest rate		4.54%
Expected volatility		17%
Expected life (years)		5.76

The following is a summary of the status of the Plans as of March 31, 2007 and changes during the quarter then ended:

	<u>Outstanding</u>		<u>Exercisable</u>	
	<u>Shares</u>	Weighted Average Exercise Price	<u>Shares</u>	Weighted Average Exercise Price
December 31, 2006	11,563,791	\$ 22.97	7,912,549	\$ 20.21
Granted	107,900	32.87		
Exercised	(678,023)	19.56		
Expired/Canceled	<u>(101,968)</u>	28.41		
March 31, 2007	<u>10,891,700</u>	\$ 23.23	7,672,093	\$ 20.65

The weighted average remaining contractual term of all outstanding options is 6.5 years and the weighted average remaining contractual term of exercisable options is 5.5 years.

Restricted Stock Units

During the first quarter of 2007, the Company granted 214,470 RSUs to key employees. The RSUs have a weighted-average fair value per share of \$30.76, which was the fair value of the Company's stock as measured on the date of grant. RSUs vest 100% on the third anniversary of the date of grant and are subject to a service condition, which requires grantees to remain employed by the Company during the three year period following the date of grant. In addition to the service condition, certain key executives are subject to performance requirements. Under the terms of the RSUs, the three year period is referred to as the restricted period. RSUs and the rights under the award may not be sold, assigned, transferred, donated, pledged or otherwise disposed of during the three year restricted period prior to vesting. All restrictions imposed on Restricted Stock Units will lapse, and one share of common stock will be issued as payment for each vested RSU upon the expiration of the applicable restricted period and the satisfaction of all conditions imposed. No shares of common stock will be issued prior to the vesting date.

During the restricted period, the Company will pay cash dividends on the RSUs, in the form of additional RSUs on each date that the Company pays a cash dividend to holders of common stock. The additional RSUs will be subject to the same terms and conditions as the original RSUs and vest when the restrictions lapse.

The total compensation cost related to RSUs recognized in the operating results for the three months ended March 31, 2007 was \$0.3 million. This amount represents the aggregate fair value of stock units that were expensed during the first quarter of 2007, but not yet vested as of that date. These costs were included in the cost of products sold and selling, general and administrative expenses. The associated future income tax benefit recognized during the three months ended March 31, 2007 was \$0.1 million. All 214,470 RSUs remained unvested as of March 31, 2007. The unamortized compensation cost related to RSUs is \$5.6 million, which will be expensed over the weighted average remaining vesting period of the options, or 2.9 years. The aggregate intrinsic value of the outstanding RSUs as of March 31, 2007 was \$7.0 million.

NOTE 3 – COMPREHENSIVE INCOME

The components of comprehensive income, net of tax, are as follows:

	Three Months Ended March 31,	
	2007	2006
	(in thousands)	
Net income	\$ 58,472	\$ 50,004
Other comprehensive income:		
Foreign currency translation adjustments	13,984	14,106
Unrealized gain on available-for-sale securities	(97)	137
Amortization of unrecognized losses and prior year service cost, net	(308)	-
Net loss on derivative financial instruments	(5,611)	(6,903)
Total comprehensive income	<u>\$ 66,440</u>	<u>\$ 57,344</u>

During the quarter ended March 31, 2007, foreign currency translation adjustments included currency translation gains of \$15.4 million and partially offset by losses of \$1.4 million on the Company's loans designated as hedges of net investments. During the quarter ended March 31, 2006, foreign currency translation adjustments included currency translation gains of \$18.1 million and partially offset by losses of \$4.0 million on the Company's loans designated as hedges of net investments. As a result of the Company's adoption of Statement of Financial Accounting Standards No. 158 ("SFAS 158") on January 1, 2007, the Company recognized \$0.3 million of the unrecognized losses and prior service cost, net in comprehensive income. The \$0.3 million was derived using the average exchange rate for the current period, which may differ from the exchange rate used to record the unrecognized losses and prior service cost, net.

The balances included in accumulated other comprehensive income in the consolidated balance sheets are as follows:

	March 31, 2007	December 31, 2006
	(in thousands)	
Foreign currency translation adjustments	\$ 148,709	\$ 135,341
Net loss on derivative financial instruments	(38,176)	(32,565)
Unrealized gain on available-for-sale securities	236	333
Unrecognized losses and prior service cost, net	(22,887)	(23,195)
	<u>\$ 87,882</u>	<u>\$ 79,914</u>

The cumulative foreign currency translation adjustments included translation gains of \$231.7 million and \$216.9 million as of March 31, 2007 and December 31, 2006, respectively, offset by losses of \$83.0 million and \$81.6 million, respectively, on loans designated as hedges of net investments.

NOTE 4 - EARNINGS PER COMMON SHARE

The dilutive effect of outstanding options and restricted stock is reflected in diluted earnings per share by application of the treasury stock method, which in the current period includes consideration of stock-based compensation required by SFAS No. 123(R). The following table sets forth the computation of basic and diluted earnings per common share:

	Three Months Ended March 31,	
	2007	2006
	(in thousands, except per share amounts)	
<u>Basic Earnings Per Common Share Computation</u>		
Net income	\$ 58,472	\$ 50,004
Common shares outstanding	152,031	157,998
Earnings per common share - basic	\$ 0.38	\$ 0.32
<u>Diluted Earnings Per Common Share Computation</u>		
Net income	\$ 58,472	\$ 50,004
Common shares outstanding	152,031	157,998
Incremental shares from assumed exercise of dilutive options	2,533	3,062
Total shares	<u>154,564</u>	<u>161,060</u>
Earnings per common share - diluted	\$ 0.38	\$ 0.31

There were no options to purchase shares of common stock outstanding during the quarters ended March 31, 2007 and 2006 that had an anti-dilutive effect on the computation of diluted earnings per share.

NOTE 5 - BUSINESS ACQUISITIONS

Several of the Company's more recent acquisitions included provisions for possible additional payments based on the performance of the individual businesses post closing (generally for two to three years). In the first quarter of 2007, the Company paid \$7.2 million in related expenses against those provisions.

NOTE 6 - SEGMENT INFORMATION

The Company follows Statement of Financial Accounting Standards No. 131 ("SFAS 131"), "Disclosures about Segments of an Enterprise and Related Information." SFAS 131 establishes standards for disclosing information about reportable segments in financial statements. The Company has numerous operating businesses covering a wide range of products and geographic regions, primarily serving the professional dental market. Professional dental products represented approximately 98% of sales for the periods ended March 31, 2007 and 2006.

The operating businesses are combined into operating groups which have overlapping product offerings, geographical presence, customer bases, distribution channels, and regulatory oversight. These operating groups are considered the Company's reportable segments under SFAS 131 as the Company's chief operating decision-maker regularly reviews financial results at the operating group level and uses this information to manage the Company's operations. The accounting policies of the segments are consistent with those described in the most recently filed 10-K Consolidated Financial Statements in the summary of significant accounting policies. The Company measures segment income for reporting purposes as net operating profit before restructuring, interest and taxes. A description of the services provided within each of the Company's four reportable segments is provided below.

In January 2007, the Company reorganized its operating group structure expanding into four operating groups from the three groups under the prior management structure. The segment information below reflects this revised structure for all periods shown.

A description of the activities provided within each of the Company's four reportable segments follows:

NOTE 7 - INVENTORIES

Inventories are stated at the lower of cost or market. At March 31, 2007 and December 31, 2006, the cost of \$12.5 million, or 5.1%, and \$11.2 million, or 4.8%, respectively, of inventories was determined by the last-in, first-out ("LIFO") method. The cost of other inventories was determined by the first-in, first-out ("FIFO") or average cost methods. The Company establishes reserves for inventory estimated to be obsolete or unmarketable equal to the difference between the cost of inventory and estimated market value based upon assumptions about future demand and market conditions.

If the FIFO method had been used to determine the cost of LIFO inventories, the amounts at which net inventories are stated would be higher than reported at March 31, 2007 and December 31, 2006 by \$3.5 million and \$3.3 million, respectively.

Inventories consist of the following:

	March 31, 2007	December 31, 2006

NOTE 8 - BENEFIT PLANS

The Company adopted SFAS 158 for the December 31, 2006 year end using the prospective method as required by the statement. The Company has early adopted the provision of SFAS 158 that requires the alignment of the measurement date and the year-end balance sheet date for the 2007 fiscal year. The net of tax adjustment to retained earnings was \$0.4 million.

The following sets forth the components of net periodic benefit cost of the Company's benefit plans and for the Company's other post-retirement employee benefit plans for the three months ended March 31, 2007 and March 31, 2006, respectively:

NOTE 9 - RESTRUCTURING, IMPAIRMENT AND OTHER COSTS (INCOME), NET

Restructuring Costs

2006 Plans

During 2006, the Company initiated several restructuring plans primarily related to the closure and consolidation of certain production and selling facilities in the United States and Europe in order to better leverage the Company's resources by reducing costs and obtaining operational efficiencies. During the quarter ended March 31, 2007, the Company recorded charges of \$0.8 million for additional severance and other restructuring costs. The plans include the elimination of approximately 90 positions, with 9 of these positions having been eliminated as of March 31, 2007. These plans are expected to be substantially completed by the end of 2007. The major components of these charges and the remaining outstanding balances at March 31, 2007 are as follows:

	2006 Provisions	Amounts Applied 2006	2007 Provisions (in thousands)	Amounts Applied 2007	Balance March 31, 2007

2005 Plans

During 2005, the Company initiated several restructuring plans primarily related to the shutdown of the pharmaceutical manufacturing facility outside of Chicago. In addition, these costs related to the consolidation of certain United States production facilities in order to better leverage the Company's resources. The primary objective of these initiatives is to reduce costs and obtain operational efficiencies. As of March 31, 2007, the shutdown of the pharmaceutical manufacturing facility has been completed. During the quarter ended March 31, 2007, the Company recorded charges of \$0.1 million primarily for additional severance costs and other restructuring costs. The plans include the elimination of approximately 165 administrative and manufacturing positions, all within the United States, with 146 of these positions having been eliminated as of March 31, 2007. The Company does not expect any significant future expenses related to these plans. The major components of these charges and the remaining outstanding balances at March 31, 2007 are as follows:

	2005 Provisions	Amounts Applied 2005	2006 Provisions	Amounts Applied 2006 (in thousands)	Change in Estimate 2006	2007 Provisions	Amounts Applied 2007	Change in Estimate 2007	Balance March 31, 2007

2004 Plans

During 2004, the Company initiated several restructuring plans primarily related to the creation of a European Shared Services Center in Yverdon, Switzerland, which resulted in the identification of redundant personnel in the Company's European accounting functions. In addition, these costs related to the consolidation of certain sales/customer service and distribution facilities in Europe and Japan. The primary objective of these restructuring initiatives is to improve operational efficiencies and to reduce costs within the related businesses. The plans include the elimination of approximately 105 administrative and manufacturing positions primarily in Germany. Certain of these positions are being replaced at the European Shared Services Center and therefore the net reduction in positions is expected to be approximately 55. As of March 31, 2007, approximately 40 of these positions have been eliminated. These plans are expected to be fully completed in early 2008. The major components of these charges and the remaining outstanding balances at March 31, 2007 are as follows:

	2004 Provisions	Amounts Applied 2004	2005 Provisions	Change in Estimate 2005	Amounts Applied 2005	2006 Provisions	Amounts Applied 2006	Change in Estimate 2006	2007 Provisions	Amounts Applied 2007	Balance March 31, 2007

Fair Value of Financial Instruments

The fair value of financial instruments is determined by reference to various market data and other valuation techniques as appropriate. The Company believes the carrying amounts of cash and cash equivalents, short-term investments, accounts receivable (net of allowance for doubtful accounts), prepaid expenses and other current assets, accounts payable, accrued liabilities, income taxes payable and notes payable approximate fair value due to the short-term nature of these instruments. The fair value of the Company's long-term debt approximated its carrying value as the debt is variable rate and reflects current market rates. The interest rates on revolving debt and commercial paper are variable and therefore the fair value of these instruments approximates their carrying values.

Derivative Instruments and Hedging Activities

The Company's activities expose it to a variety of market risks, which primarily include the risks related to the effects of changes in foreign currency exchange rates, interest rates and commodity prices. These financial exposures are monitored and managed by the Company as part of its overall risk management program. The objective of this risk management program is to reduce the volatility that these market risks may have on the Company's operating results and equity.

Certain of the Company's inventory purchases are denominated in foreign currencies, which expose the Company to market risk associated with exchange rate movements. The Company's policy generally is to hedge major foreign currency transaction exposures through foreign exchange forward contracts. These contracts are entered into with major financial institutions thereby minimizing the risk of credit loss. In addition, the Company's investments in foreign subsidiaries are denominated in foreign currencies, which create exposures to changes in exchange rates. The Company uses debt and derivatives denominated in the applicable foreign currency as a means of hedging a portion of this risk.

With the Company's significant level of variable rate long-term debt, changes in the interest rate environment can have a major impact on the Company's earnings, depending upon its interest rate exposure. As a result, the Company manages its interest rate exposure with the use of interest rate swaps, when appropriate, based upon market conditions.

The manufacturing of some of the Company's products requires the use of commodities which are subject to market fluctuations. In order to limit the unanticipated impact on earnings from such market fluctuations, the Company selectively enters into commodity swaps for certain materials used in the production of its products. Additionally, the Company uses non-derivative methods, such as the precious metal consignment agreement to effectively hedge commodity risks.

Cash Flow Hedges

The Company uses interest rate swaps to convert a portion of its variable rate debt to fixed rate debt. As of March 31, 2007, the Company has two groups of significant variable rate to fixed rate interest rate swaps. One of the groups of swaps was entered into in February 2002, has notional amounts totaling 12.6 billion Japanese yen, and effectively converts the underlying variable interest rates to an average fixed rate of 1.6% for a term of ten years, ending in March 2012. The other swap, effective March 2005, has a notional amount of 65 million Swiss francs, and effectively converts the underlying variable interest rates to a fixed rate of 4.2% for a term of seven years, ending in March 2012.

The Company selectively enters into commodity swaps to effectively fix certain variable raw material costs. At March 31, 2007, the Company had swaps in place to purchase 1,440 troy ounces of platinum bullion for use in the production of its impression material products. The average fixed rate of this agreement is \$1,162.30 per troy ounce. In addition, the Company had swaps in place to purchase 75,000 troy ounces of silver bullion for use in the production of its amalgam products at an average fixed rate of \$11.23 per troy ounce. The Company generally hedges up to 80% of its projected annual needs related to these products.

The Company enters into forward exchange contracts to hedge the foreign currency exposure of its anticipated purchases of certain inventory from Japan. In addition, exchange contracts are used by certain of the Company's subsidiaries to hedge intercompany inventory purchases, which are denominated in non-local currencies. The forward contracts that are used in these programs typically mature in twelve months or less. The Company generally hedges up to 80% of its anticipated purchases from the supplying locations.

As of March 31, 2007, \$1.2 million of deferred net losses on derivative instruments recorded in accumulated other comprehensive income are expected to be reclassified to current earnings during the next twelve months. This reclassification is primarily due to interest rate swaps and the sale of inventory that includes previously hedged purchases. The maximum term over which the Company is hedging exposures to variability of cash flows (for all forecasted transactions, excluding interest payments on variable-rate debt) is eighteen months. Overall, the derivatives designated as cash flow hedges are highly effective. Any cash flows associated with these instruments are included in cash from operations in accordance with the

Company's policy of classifying the cash flows from these instruments in the same category as the cash flows from the items being hedged.

Hedges of Net Investments in Foreign Operations

The Company has numerous investments in foreign subsidiaries. The net assets of these subsidiaries are exposed to volatility in currency exchange rates. Currently, the Company uses non-derivative financial instruments, including foreign currency denominated debt held at the parent company level and derivative financial instruments to hedge some of this exposure. Translation gains and losses related to the net assets of the foreign subsidiaries are offset by gains and losses in the non-derivative and derivative financial instruments designated as hedges of net investments.

In the first quarter of 2005, the Company entered into cross currency interest rate swaps with a notional principal value of Swiss francs 457.5 million paying 3 month Swiss franc Libor and receiving 3 month United States dollar ("U.S. dollar") Libor on \$384.4 million. In the first quarter of 2006, the Company entered into additional cross currency interest rate swaps with a notional principal value of Swiss francs 55.5 million paying 3 month Swiss franc Libor and receiving 3 month U.S. dollar Libor on \$42.0 million. In the fourth quarter of 2006, the Company entered into additional cross currency interest rate swaps with a notional principal value of Swiss francs 80.4 million paying 3 month Swiss franc Libor and receiving 3 month U.S. dollar Libor on \$64.4 million. In the first quarter of 2007, the Company entered into additional cross currency interest rate swaps with a notional principal value of Swiss francs 56.6 million paying 3 month Swiss franc Libor and receiving 3 month U.S. dollar Libor on \$46.3 million. Additionally, in the fourth quarter of 2005, the Company entered into cross currency interest rate swaps with a notional principal value of Euro 358 million paying 3 month Euro Libor and receiving 3 month U.S. dollar Libor on \$419.6 million. The Swiss franc and Euro cross currency interest rate swaps are designated as net investment hedges of the Swiss and Euro denominated net assets. The interest rate differential is recognized in the earnings as interest income or interest expense as it is accrued, the foreign currency revaluation is recorded in accumulated other comprehensive income, net of tax effects.

The fair value of these cross currency interest rate swap agreements is the estimated amount the Company would (pay) receive at the reporting date, taking into account the effective interest rates and foreign exchange rates. As of March 31, 2007 and December 31, 2006, the estimated net fair values of the swap agreements were (\$57.8) million and (\$48.1) million, respectively, which are recorded in accumulated other comprehensive income, net of tax effects, other noncurrent liabilities and other noncurrent assets.

At March 31, 2007 and December 31, 2006, the Company had Euro-denominated, Swiss franc-denominated, and Japanese yen-denominated debt and cross currency interest rate swaps (at the parent company level) to hedge the currency exposure related to a designated portion of the net assets of its European, Swiss, and Japanese subsidiaries. At March 31, 2007 and December 31, 2006, the accumulated translation gains on investments in foreign subsidiaries, primarily denominated in Euros, Swiss francs and Japanese yen, net of these net investment hedges, were \$112.2 million and \$105.8 million, respectively, which was included in accumulated other comprehensive income, net of tax effects.

Other

The aggregate net fair value of the Company's derivative instruments at March 31, 2007 and December 31, 2006 was (\$62.3) million and (\$53.4) million, respectively.

In accordance with Statement of Financial Accounting Standards No. 52 ("SFAS 52"), "Foreign Currency Translation," the Company utilizes long-term intercompany loans to eliminate foreign currency transaction exposures of certain foreign subsidiaries. Net gains or losses related to these long-term intercompany loans, those for which settlement is not planned or anticipated in the foreseeable future, are included in accumulated other comprehensive income.

NOTE 11 - COMMITMENTS AND CONTINGENCIES

On January 5, 1999, following a four-year investigation, the Department of Justice filed a Complaint against the Company in the U.S. District Court in Wilmington, Delaware alleging that the Company's tooth distribution practices violated the antitrust laws and seeking an order for the Company to discontinue its practices. This case has been concluded and the District Court, upon the direction of the Court of Appeals, issued an injunction preventing DENTSPLY from taking action to restrict its tooth dealers from adding new competitive teeth lines. This decision relates only to the distribution of artificial teeth in the United States and, notwithstanding the outcome of this case, the Company is confident that it can continue to develop this business.

Subsequent to the filing of the Department of Justice Complaint in 1999, several private party class actions were filed based on allegations similar to those in the Department of Justice case, on behalf of dental laboratories, and denture patients in seventeen states who purchased Trubyte teeth or products containing Trubyte teeth. These cases were transferred to the U.S. District Court in Wilmington, Delaware. The private party suits seek damages in an unspecified amount. The Court has granted the Company's Motion on the lack of standing of the laboratory and patient class actions to pursue damage claims. The Plaintiffs in the laboratory case appealed this decision to the Third Circuit and the Court largely upheld the decision of the District Court in dismissing the Plaintiffs' damages claims against DENTSPLY, with the exception of allowing the Plaintiffs to pursue a damage claim based on a theory of resale price maintenance between the Company and its tooth dealers. The Plaintiffs' petition to the U.S. Supreme Court asking it to review this decision of the Third Circuit was denied. The Plaintiffs in the laboratory case filed an amended complaint asserting that DENTSPLY and its tooth dealers, and the dealers among themselves, engaged in a conspiracy to violate the antitrust laws. Dentsply and the dealers have filed Motions to dismiss plaintiffs' claims, except for the resale price maintenance claims. Additionally, manufacturers of three competitive tooth lines have filed separate actions seeking damages alleged to have been incurred as a result of the Company's tooth distribution practice found to be a violation of the antitrust law.

On March 27, 2002, a Complaint was filed in Alameda County, California (which was transferred to Los Angeles County) by Bruce Glover, DDS alleging, inter alia, breach of express and implied warranties, fraud, unfair trade practices and negligent misrepresentation in the Company's manufacture and sale of Advance® cement. The Complaint seeks damages in an unspecified amount for costs incurred in repairing dental work in which the Advance® product allegedly failed. The Judge entered an Order granting class certification, as an Opt-in class. In general, the Class is defined as California dentists who purchased and used Advance® cement and were required, because of failures of the cement, to repair or reperform dental procedures for which they were not paid. The Notice of the class action was sent on February 23, 2005 to the approximately 29,000 dentists licensed to practice in California during the relevant period and a total of 166 dentists opted into the class action. The plaintiffs appealed the decision of the Trial Court certifying the class as an opt-in and the Appeals Court held that the case should be converted to an opt-out class. The parties have entered a settlement agreement, which has been preliminarily approved by the Court and the Court has scheduled a fairness hearing for June 15, 2007. The settlement establishes a procedure by which dentists, who believe they were required to perform dental work because of a problem caused by Advance cement, can submit claims for review and reimbursement of unpaid fees. The Advance® cement product was sold from 1994 through 2000 and total sales in the United States during that period were approximately \$5.2 million. The Company's primary level insurance carrier has confirmed coverage for claims in this matter up to one million dollars, their asserted policy limits. Litigation is pending with the Company's excess insurance carrier regarding the level and coverage of their insurance for this case.

On June 18, 2004, Marvin Weinstat, DDS and Richard Nathan, DDS filed a class action suit in San Francisco County, California alleging that the Company misrepresented that its Cavitron® ultrasonic scalers are suitable for use in oral surgical procedures. The Complaint seeks a recall of the product and refund of its purchase price to dentists who have purchased it for use in oral surgery. The Court certified the case as a class action in June 2006 with respect to the breach of warranty and unfair business practices claims. The class is defined as California dental professionals who purchased and used one or more Cavitron ultrasonic scalers for the performance of oral surgical procedures. The Company filed a motion for decertification of the class and this motion was granted. Plaintiffs have appealed the decertification of the class to the California Court of Appeals.

On December 12, 2006, a Complaint was filed by Carole Hildebrand, DDS and Robert Jaffin, DDS in the Eastern District of PA. The case was filed by the same law firm that filed the Weinstat case in California. The Complaint seeks a refund of the purchase price paid for Cavitron scalers and asserts putative class action claims on behalf of dentists located in New Jersey and Pennsylvania based on assertions that the Cavitron was sold in breach of contract and warranty arising from misrepresentations about the potential uses of the product because it cannot deliver potable or sterile water.

NOTE 12 - FINANCING ARRANGEMENTS

During the first quarter of 2007, the Company entered into a purchase agreement with a group of initial purchasers, providing for the issuance by the Company of \$150.0 million aggregate principal amount of floating rate Senior Notes due 2010 through a private placement. The net proceeds from the offering after deducting placement fees and expenses of the offering were \$149.5 million. The obligations of the Company and the initial purchasers are subject to the terms and conditions of the Note Purchase Agreement.

The Company also has strategically located distribution centers to enable it to better serve its customers and increase its operating efficiency. While the United States and Europe are the Company's largest markets, the Company serves all of the major professional dental markets worldwide.

The principal benchmarks used by the Company in evaluating its business are: (1) internal growth in the United States, Europe and all other regions; (2) operating margins of each reportable segment, (3) the development, introduction and contribution of innovative new products; (4) growth through acquisition; and (5) continued focus on controlling costs and enhancing efficiency. The Company defines "internal growth" as the increase in net sales from period to period, excluding precious metal content, the impact of changes in currency exchange rates, and the net sales, for a period of twelve months following the transaction date, of businesses that have been acquired or divested.

Management believes that an average overall internal growth rate of 4-6% is a long-term sustainable rate for the Company. This annualized growth rate expectation typically includes approximately 1-2% of price increases. The Company typically implements most of its price changes in the beginning of the fourth quarter of the year. These price changes, other marketing and promotional programs offered to customers from time to time in the ordinary course of business, the management of inventory levels by distributors and the implementation of strategic initiatives, may impact sales levels in a given period.

During the quarter ended March 31, 2007, the Company's overall internal growth was approximately 6.4% compared to 4.3% for the full year 2006. Internal growth rates in the United States and Europe, the largest dental markets in the world, were 4.7% and 8.2%, respectively during the first three months of 2007 compared to 1.2% and 7.4%, respectively for the full year 2006. The internal growth rate in all other regions during the quarter ended March 31, 2007 was 6.6%, compared to 5.6% for the full year 2006.

Product innovation is a key component of the Company's overall growth strategy. Historically, the Company has introduced in excess of twenty new products each year. During 2006, approximately thirty new products were introduced around the world, and the Company expects over twenty-five new products to be introduced in 2007. During the three months ended March 31, 2007, a total of seven new products or significant product enhancements have been introduced.

New advances in technology are anticipated to have a significant influence on future products in dentistry. As a result, the Company has pursued several research and development initiatives to support this technological development, including partnerships and collaborations with various research institutions and dental schools. In addition, the Company licenses and purchases technologies developed by other third parties. Although the Company believes these activities will lead to new innovative dental products, they involve new technologies and there can be no assurance that commercialized products will be developed.

Although the professional dental market in which the Company operates has experienced consolidation, it is still a fragmented industry. The Company continues to focus on opportunities to expand the Company's product offerings through acquisitions and investments in companies. Management believes that there will continue to be adequate opportunities to participate as a consolidator or investor in the industry for the foreseeable future. The Company continues to pursue opportunities to expand its business through acquisitions and investments.

The Company also remains focused on reducing costs and achieving operational efficiencies. Management expects to continue to consolidate operations or functions to reduce costs while improving service levels. In addition, the Company remains focused on enhancing efficiency through expanded use of technology, process improvement initiatives and new marketing strategies. The Company believes that the benefits from these opportunities will improve the cost structure and offset areas of rising costs such as energy, benefits, regulatory oversight and compliance and financial reporting.

In 2006, the Company entered into a new U.S.-based Strategic Partnership Program, designed to significantly improve its ability to collaborate with and provide value to its key distributor partners. This program encompasses all of the Company's divisions selling through United States dental distributors and will result in a consolidated network of U.S. distributors. The consolidation will focus the Company on the 28 U.S. distributors, which represented over 90% of the Company's distributor-based business in the United States.

RESULTS OF OPERATIONS, QUARTER ENDED MARCH 31, 2007 COMPARED TO QUARTER ENDED MARCH 31, 2006

Net Sales

The discussion below summarizes the Company's sales growth, excluding precious metals, from internal growth and net acquisition growth and highlights the impact of foreign currency translation. These disclosures of net sales growth provide the reader with sales results on a comparable basis between periods.

Management believes that the presentation of net sales, excluding precious metal content, provides useful information to investors because a significant portion of DENTSPLY's net sales is comprised of sales of precious metals generated through sales of the Company's precious metal alloy products, which are used by third parties to construct crown and bridge solutions. Due to the fluctuations of precious metal prices and because the precious metal content of the Company's sales is largely a pass-through to customers and has minimal effect on earnings, DENTSPLY reports sales both with and without precious metal content to show the Company's performance independent of precious metal price volatility and to enhance comparability of performance between periods. The Company uses its cost of precious metal purchased as a proxy for the precious metal content of sales, as the precious metal content of sales is not separately tracked and invoiced to customers. The Company believes that it is reasonable to use the cost of precious metal content purchased in this manner since precious metal alloy sale prices are typically adjusted when the prices of underlying precious metals change.

As the presentation of net sales, excluding precious metal content, could be considered a measure not calculated in accordance with generally accepted accounting principles (a non-GAAP measure), the Company provides the following reconciliation of net sales to net sales, excluding precious metal content. The Company's definitions and calculations of net sales, excluding precious metal content, and other operating measures derived using net sales, excluding precious metal content, may not necessarily be the same as those used by other companies.

	Internal Growth Rates	Internal Growth Rates
United States	4.7%	1.2%
Europe	8.2%	13.2%
Other regions	6.6%	4.9%

United States

The internal sales growth of 4.7%, excluding precious metal content, in the United States was primarily a result of a strong recovery in the dental consumable product category and moderate sales growth in the dental specialty product category offset by lower sales in laboratory products.

Europe

In Europe, the internal sales growth of 8.2%, excluding precious metal content, was led by strong performance in all of our specialty businesses, including Orthodontics, Endodontics and Implants. The Company's European internal sales growth benefited from the biennial International Dental Show ("IDS"), which occurred at the end of the first quarter in 2007.

All Other Regions

The internal sales growth of 6.6% in all other regions was primarily the result of strong sales growth in the dental specialty product category and moderate sales growth in the dental consumable product category in Asia, Africa and Australia.

SG&A expenses, measured against sales including precious metal content, increased to 34.7% for the three months ended March 31, 2007 compared to 33.7% for the three months ended March 31, 2006. SG&A expenses, as measured against sales excluding precious metal content, increased to 38.8% in 2007 compared to 37.9% in 2006. The increase in the SG&A expenses is primarily a result of currency translation, costs related to the biennial IDS and increased expenses related to the consolidation of the U.S. Endodontic and Implant divisions.

Restructuring, Impairment and Other Costs (Income), Net

During the quarter ended March 31, 2007, the Company recorded restructuring, impairment and other costs of \$1.0 million, which is \$3.7 million less than those recorded for the quarter ended March 31, 2006. The costs associated with the quarter ended March 31, 2006 related to the shut down of the pharmaceutical manufacturing facility in Chicago, Illinois. The Company does not expect to incur any further substantial charges related to this manufacturing facility.

Net Interest (Income) Expense

The increase in net interest income was mainly the result of the continued benefit from the cross currency swaps. Lower average net debt levels in 2007 compared to the prior year period partially offset by higher interest rates and a weaker U.S. dollar exchange rate versus the Euro, Swiss franc and Japanese yen are other factors that related to the increase in net interest income.

Other (Income) Expense, Net

Other (income) expense in the 2007 period included approximately \$0.2 million of other non-operating income. The 2006 period included \$0.8 million of currency transaction gains and \$0.3 million of other non-operating losses.

Operating Segment Results

In January 2007, the Company reorganized its operating group structure expanding into four operating groups from the three groups under the prior management structure. These four operating groups are managed by two Senior Vice Presidents, a Franchise Vice President and an Executive Vice President and represent our operating segments. Each of these operating groups covers a wide range of product categories and geographic regions. The product categories and geographic regions often overlap across the groups. Further information regarding the details of each group is presented in Note 6 of the Unaudited Consolidated Condensed Financial Statements. The management of each group is evaluated for performance and incentive compensation purposes on net third party sales, excluding precious metal content and segment operating income.

Operating profit increased \$3.7 million during the quarter ended March 31, 2007 compared to 2006. The increase was primarily related to sales growth in the United States, Germany, and certain other European regions consumable businesses, and improving profit margins primarily in our German consumable business. These increases were offset somewhat by higher expense ratios for 2007 in the United States. Also, operating profits were favorably impacted by currency translation.

France, United Kingdom, Italy, CIS, Middle East, Africa, Pacific Rim Consumable Businesses

Operating profit decreased \$1.2 million during the quarter ended March 31, 2007 compared to 2006. The decrease in operating profits was driven primarily by the Latin American business and the additional operational investment into the combined Endodontic/Implant businesses. This group also had a negative impact from exchange due to purchases that were affected by the weakening U.S. dollar.

Global Dental Laboratory Business/Implants/Non-Dental

Net sales for this group increased 11.3% during the three months ended March 31, 2007 compared to 2006. Internal growth was 4.7% and currency translation added 6.6% from sales in 2006. CRITICAL ACCOUNTING POLICIES

As discussed in the Significant Accounting Policies section of Note 1 to the Unaudited Consolidated Condensed Financial Statements, the Company adopted FIN 48 on January 1, 2007.

LIQUIDITY AND CAPITAL RESOURCES

Three Months Ended March 31, 2007

Cash flow from operating activities during the three months ended March 31, 2007 was \$41.8 million compared to \$11.4 million during the same period of 2006. The increase resulted from a \$23.0 million prior year payment of taxes associated with the 2005 repatriation of earnings.

Investing activities during the first quarter of 2007 include capital expenditures of \$10.7 million. The Company expects that capital expenditures will range from \$60 million to \$65 million for the full year of 2007. Payments of \$7.2 million related to recent acquisition earn-outs were made in the quarter ended March 31, 2007.

At March 31, 2007, the Company had authorization to maintain up to 14,000,000 shares of treasury stock under the stock repurchase program as approved by the Board of Directors. Under this program, the Company purchased 363,916 shares during first quarter of 2007 at an average price of \$31.68. As of March 31, 2007, the Company held 10,603,928 shares of treasury stock. The Company also received proceeds of \$13.3 million as a result of the exercise of 744,621 stock options during the quarter ended March 31, 2007.

The Company's long-term borrowings increased by a net of \$46.2 million during the three months ended March 31, 2007. This net change included a net new borrowing of \$44.2 million during the quarter and an increase of \$2.0 million due to exchange rate fluctuations on debt denominated in foreign currencies and changes in the value of interest rate swaps. During the three months ended March 31, 2007, the Company's ratio of long-term debt to total capitalization increased to 23.6% compared to 22.4% at December 31, 2006.

On March 13, 2007, the Company entered into a note purchase agreement with a group of initial purchasers, providing for the issuance of \$150 million aggregate principal amount of floating rate senior notes due 2010 (the "Notes") through a private placement. The net proceeds from the offering after deducting placement fees and expenses of the offering were \$149.5 million. The obligations of Dentsply and the initial purchasers are subject to the terms and conditions of the Note Purchase Agreement.

Under its multi-currency revolving credit agreement, the Company is able to borrow up to \$500 million through May 2010. This facility is unsecured and contains certain affirmative and negative covenants relating to its operations and financial condition. The most restrictive of these covenants pertain to asset dispositions and prescribed ratios of indebtedness to total capital and operating income plus depreciation and amortization to interest expense. At March 31, 2007, the Company was in compliance with these covenants. The Company also has available an aggregate \$250 million under two commercial paper facilities; a \$250 million United States facility and a \$250 million U.S. dollar equivalent European facility ("Euro CP facility"). Under the Euro CP facility, borrowings can be denominated in Swiss francs, Japanese yen, Euros, British pounds sterling and U.S. dollars. The multi-currency revolving credit facility serves as a back-up to these commercial paper facilities. The Company also has access to \$34.4 million in uncommitted short-term financing under lines of credit from various financial institutions. The lines of credit have no major restrictions and are provided under demand notes between the Company and the lending institutions. At March 31, 2007, \$9.6 million is outstanding under these short-term lines of credit. At March 31, 2007, the Company had total unused lines of credit related to the revolving credit agreement and the uncommitted short-term lines of credit of \$263.8 million.

At March 31, 2007, the Company held \$69.0 million of precious metals on consignment from several financial institutions. These consignment agreements allow the Company to acquire the precious metal at market rates at a point in time, which is approximately the same time and for the same price as alloys are sold to the Company's customers. In the event that the financial institutions would discontinue offering these consignment arrangements, and if the Company could not obtain other comparable arrangements, the Company may be required to obtain third party financing to fund an ownership position in the required precious metal inventory levels.

The Company's cash, cash equivalents and short-term investments increased \$71.8 million in total during the three months ended March 31, 2007 to \$136.9 million. In the first quarter of 2007, the Company repaid \$105.3 million of maturing long-term borrowings and repurchased \$11.5 million of treasury stock.

The Company expects on an ongoing basis, to be able to finance cash requirements, including capital expenditures, stock repurchases, debt service, operating leases and potential future acquisitions, from the funds generated from operations and amounts available under its existing credit facilities.

NEW ACCOUNTING PRONOUNCEMENTS

In February 2007, the FASB issued Statement of Financial Accounting Standards No. 159 ("SFAS 159"), "The Fair Value Option for Financial Assets and Financial Liabilities." SFAS 159 permits entities to choose to measure financial instruments and certain other items at fair value that are not currently required to be measured at fair value. This will allow entities the opportunity to mitigate volatility in reported earnings caused by measuring related assets and liabilities differently. SFAS 159 is effective for financial statements issued for fiscal years ending after November 15, 2007. The Statement should not be applied retrospectively to fiscal years beginning prior to that effective date, except as permitted for early adoption. The Company is currently evaluating the impact of adopting SFAS 159 on the financial statements.

In September 2006, the FASB issued Statement of Financial Accounting Standards No. 157 ("SFAS 157"), "Fair Value Measurements," which requires the Company to define fair value, establish a framework for measuring fair value in GAAP, and expand disclosures about fair value measurements. SFAS 157 applies under other accounting pronouncements that require or permit fair value measurements. SFAS 157 is effective for financial statements issued for fiscal years beginning after November 15, 2007, and interim periods within those fiscal years. The Company is currently evaluating the impact of adopting SFAS 157 on the financial statements.

Item 3 - Quantitative and Qualitative Disclosures About Market Risk

There have been no significant material changes to the market risks as disclosed in the Company's Annual Report on Form 10-K filed for the year ending December 31, 2006.

Changes in Internal Control Over Financial Reporting

There have been no changes in the Company's internal controls over financial reporting that occurred during the three months ended March 31, 2007 that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

PART II
OTHER INFORMATION

Item 1 - Legal Proceedings

On January 5, 1999, following a four-year investigation, the Department of Justice filed a Complaint against the Company in the U.S. District Court in Wilmington, Delaware alleging that the Company's tooth distribution practices violated the antitrust laws and seeking an order for the Company to discontinue its practices. This case has been concluded and the District Court, upon the direction of the Court of Appeals, issued an injunction preventing DENTSPLY from taking action to restrict its tooth dealers from adding new competitive teeth lines. This decision relates only to the distribution of artificial teeth in the United States and, notwithstanding the outcome of this case, the Company is confident that it can continue to develop this business.

Subsequent to the filing of the Department of Justice Complaint in 1999, several private party class actions were filed based on allegations similar to those in the Department of Justice case, on behalf of dental laboratories, and denture patients in seventeen states who purchased Trubyte teeth or products containing Trubyte teeth. These cases were transferred to the U.S. District Court in Wilmington, Delaware. The private party suits seek damages in an unspecified amount. The Court has granted the Company's Motion on the lack of standing of the laboratory and patient class actions to pursue damage claims. The Plaintiffs in the laboratory case appealed this decision to the Third Circuit and the Court largely upheld the decision of the District Court in dismissing the Plaintiffs' damages claims against DENTSPLY, with the exception of allowing the Plaintiffs to pursue a damage claim based on a theory of resale price maintenance between the Company and its tooth dealers. The Plaintiffs' petition to the U.S. Supreme Court asking it to review this decision of the Third Circuit was denied. The Plaintiffs in the laboratory case filed an amended complaint asserting that DENTSPLY and its tooth dealers, and the dealers among themselves, engaged in a conspiracy to violate the antitrust laws. Dentsply and the dealers have filed Motions to dismiss plaintiffs' claims, except for the resale price maintenance claims. Additionally, manufacturers of three competitive tooth lines have filed separate actions seeking damages alleged to have been incurred as a result of the Company's tooth distribution practice found to be a violation of the antitrust law.

On March 27, 2002, a Complaint was filed in Alameda County, California (which was transferred to Los Angeles County) by Bruce Glover, DDS alleging, inter alia, breach of express and implied warranties, fraud, unfair trade practices and negligent misrepresentation in the Company's manufacture and sale of Advance® cement. The Complaint seeks damages in an unspecified amount for costs incurred in repairing dental work in which the Advance® product allegedly failed. The Judge entered an Order granting class certification, as an Opt-in class. In general, the Class is defined as California dentists who purchased and used Advance® cement and were required, because of failures of the cement, to repair or reperform dental procedures for which they were not paid. The Notice of the class action was sent on February 23, 2005 to the approximately 29,000 dentists licensed to practice in California during the relevant period and a total of 166 dentists opted into the class action. The plaintiffs appealed the decision of the Trial Court certifying the class as an opt-in and the Appeals Court held that the case should be converted to an opt-out class. The parties have entered a settlement agreement, which has been preliminarily approved by the Court and the Court has scheduled a fairness hearing for June 15, 2007. The settlement establishes a procedure by which dentists, who believe they were required to perform dental work because of a problem caused by Advance cement, can submit claims for review and reimbursement of unpaid fees. The Advance® cement product was sold from 1994 through 2000 and total sales in the United States during that period were approximately \$5.2 million. The Company's primary level insurance carrier has confirmed coverage for claims in this matter up to one million dollars, their asserted policy limits. Litigation is pending with the Company's excess insurance carrier regarding the level and coverage of their insurance for this case.

On June 18, 2004, Marvin Weinstat, DDS and Richard Nathan, DDS filed a class action suit in San Francisco County, California alleging that the Company misrepresented that its Cavitron® ultrasonic scalers are suitable for use in oral surgical procedures. The Complaint seeks a recall of the product and refund of its purchase price to dentists who have purchased it for use in oral surgery. The Court certified the case as a class action in June 2006 with respect to the breach of warranty and unfair business practices claims. The class is defined as California dental professionals who purchased and used one or more Cavitron ultrasonic scalers for the performance of oral surgical procedures. The Company filed a motion for decertification of the class and this motion was granted. Plaintiffs have appealed the decertification of the class to the California Court of Appeals.

On December 12, 2006, a Complaint was filed by Carole Hildebrand, DDS and Robert Jaffin, DDS in the Eastern District of PA. The case was filed by the same law firm that filed the Weinstat case in California. The Complaint seeks a refund of the purchase price paid for Cavitron scalers and asserts putative class action claims on behalf of dentists located in New Jersey and Pennsylvania based on assertions that the Cavitron was sold in breach of contract and warranty arising from misrepresentations about the potential uses of the product because it cannot deliver potable or sterile water.

Item 1A – Risk Factors

There have been no significant material changes to the risks factors as disclosed in the Company's Annual Report on Form 10-K filed for the year ending December 31, 2006.

Item 2 - Unregistered Sales of Securities and Use of Proceeds

At March 31, 2007, the Company had authorization to maintain up to 14,000,000 shares of treasury stock under the stock repurchase program as approved by the Board of Directors. During the quarter ended March 31, 2007, the Company had the following activity with respect to this repurchase program:

\$150,000,000 FLOATING RATE SENIOR NOTES
DUE MARCH 13, 2010

Dated as of
March 13, 2007

TO THE PURCHASERS LISTED IN
THE ATTACHED SCHEDULE A:

Ladies and Gentlemen:

DENTSPLY INTERNATIONAL INC., a Delaware corporation (the "*Company*"), agrees with the Purchasers listed in the attached Schedule A (the "*Purchasers*") to this Note Purchase Agreement (this "*Agreement*") as follows:

SECTION I. AUTHORIZATION OF NOTES.

Section 1.1. Description of Notes. The Company will authorize the issue and sale of the following Senior Notes:

Issue	Series and/or Tranche	Aggregate Principal Amount	Interest Rate	Maturity Date
Senior Notes	N/A	\$150,000,000	Floating Rate	March 13, 2010

The Senior Notes described above are referred to as the "*Notes*" (such term shall also include any such notes issued in substitution therefor pursuant to Section 13 of this Agreement). The Notes shall be substantially in the form set out in Exhibit 1, with such changes therefrom, if any, as may be approved by the Purchasers and the Company. Certain capitalized terms used in this Agreement are defined in Schedule B; references to a "Schedule" or an "Exhibit" are, unless otherwise specified, to a Schedule or an Exhibit attached to this Agreement.

Section 1.2. Interest Rate. (a) The Notes shall bear interest (computed on the basis of a 360-day year and actual days elapsed) on the unpaid principal thereof from the date of issuance at a floating rate equal to the Adjusted LIBOR Rate from time to time, payable quarterly on the 13th

day of March, June, September and December in each year and at maturity, commencing on June 13, 2007, until such principal sum shall have become due and payable (whether at maturity, upon notice of prepayment or otherwise) (each such date being referred to herein as an "Interest Payment Date") and interest (so computed) on any overdue principal from the due date thereof (whether by acceleration or otherwise) at the Default Rate until paid.

The Adjusted LIBOR Rate for the Notes shall be determined by the Company, and notice thereof shall be given to the holders of the Notes, within three Business Days after the beginning of each Interest Period, together with a copy of the relevant screen used for the determination of LIBOR, a calculation of Adjusted LIBOR Rate for such Interest Period, the number of days in such Interest Period, the date on which interest for such Interest Period will be paid and the amount of interest to be paid to each holder of Notes on such date. In the event that the holders of more than 50% in aggregate principal amount of the outstanding Notes do not concur with such determination by the Company, within ten Business Days after receipt by such holders of the notice delivered by the Company pursuant to the immediately preceding sentence, such holders of the Notes shall provide notice to the Company, together with a copy of the relevant screen used for the determination of LIBOR, a calculation of Adjusted LIBOR Rate for such Interest Period, the number of days in such Interest Period, the date on which interest for such Interest Period will be paid and the amount of interest to be paid to each holder of Notes on such date, and any such determination made in accordance with the provisions of this Agreement, shall be presumptively correct absent manifest error.

(b) If, during a Transition Period, the Consolidated Debt to Consolidated EBITDA ratio exceeds 3.5 to 1.00, as evidenced by an Officer's Certificate delivered pursuant to Section 7.2(a), the Adjusted LIBOR Rate payable on the Notes shall be increased by 0.25%, commencing on the first day of the first fiscal quarter following the fiscal quarter in respect of which such Certificate was delivered and continuing until the Company has provided an Officer's Certificate pursuant to Section 7.2(a) demonstrating that, as of the end of the fiscal quarter in respect of which such Certificate is delivered, the Consolidated Debt to Consolidated EBITDA ratio is not more than 3.5 to 1.0. Following delivery of an Officer's Certificate demonstrating that the Consolidated Debt to Consolidated EBITDA ratio did not exceed 3.5 to 1.0, the additional 0.25% interest shall cease to accrue or be payable for any fiscal quarter subsequent to the fiscal quarter in respect of which such Certificate is delivered.

SECTION 2. SALE AND PURCHASE OF NOTES.

Section 2.1. Notes. Subject to the terms and conditions of this Agreement, the Company will issue and sell to each Purchaser and each Purchaser will purchase from the Company, at the Closing provided for in Section 3, the Notes in the principal amount specified opposite such Purchaser's name in Schedule A at the purchase price of 100% of the principal amount thereof. The obligations of each Purchaser hereunder are several and not joint obligations and each Purchaser shall have no obligation and no liability to any Person for the performance or nonperformance by any other Purchaser hereunder.

SECTION 3. CLOSING.

The sale and purchase of the Notes to be purchased by each Purchaser shall occur at the offices of Chapman and Cutler LLP, 111 West Monroe Street, Chicago, Illinois 60603 at 10:00 a.m. Central time, at a closing (the "*Closing*") on March 13, 2007 or on such other Business Day thereafter on or prior to March 31, 2007 as may be agreed upon by the Company and the Purchasers. On the Closing Date, the Company will deliver to each Purchaser the Notes to be purchased by such Purchaser in the form of a single Note (or such greater number of Notes in denominations of at least \$100,000 as such Purchaser may request) dated the date of the Closing Date and registered in such Purchaser's name (or in the name of such Purchaser's nominee), against delivery by such Purchaser to the Company or its order of immediately available funds in the amount of the purchase price therefor by wire transfer of immediately available funds for the account of the Company to Account Number 324-019-637, at Chase Manhattan Bank, New York, New York, ABA Number 021000021, in the Account Name of "Dentsply International Inc." If, on the Closing Date, the Company shall fail to tender such Notes to any Purchaser as provided above in this Section 3, or any of the conditions specified in Section 4 shall not have been fulfilled to any Purchaser's satisfaction, such Purchaser shall, at such Purchaser's election, be relieved of all further obligations under this Agreement, without thereby waiving any rights such Purchaser may have by reason of such failure or such nonfulfillment.

SECTION 4. CONDITIONS TO CLOSING.

Each Purchaser's obligation to purchase and pay for the Notes to be sold to such Purchaser at the Closing is subject to the fulfillment to such Purchaser's satisfaction, prior to or at the Closing, of the following conditions applicable to the Closing Date:

Section 4.1. Representations and Warranties. The representations and warranties of the Company in this Agreement shall be correct when made and at the time of the Closing.

Section 4.2. Performance; No Default. The Company shall have performed and complied with all agreements and conditions contained in this Agreement required to be performed or complied with by the Company prior to or at the Closing, and after giving effect to the issue and sale of the Notes (and the application of the proceeds thereof as contemplated by Section 5.14), no Default or Event of Default shall have occurred and be continuing. Neither the Company nor any Subsidiary shall have entered into any transaction since February 21, 2007 that would have been prohibited by Section 10 hereof had such Sections applied since such date.

Section 4.3. Compliance Certificates.

(a) *Officer's Certificate of the Company.* The Company shall have delivered to such Purchaser an Officer's Certificate, dated the Closing Date, certifying that the conditions specified in Sections 4.1, 4.2 and 4.9 have been fulfilled.

(b) *Secretary's Certificate of the Company.* The Company shall have delivered to such Purchaser a certificate, dated the Closing Date, certifying as to the resolutions attached thereto

and other corporate proceedings relating to the authorization, execution and delivery of the Notes and this Agreement.

Section 4.4. Opinions of Counsel. Such Purchaser shall have received opinions in form and substance satisfactory to such Purchaser, dated the Closing Date (a) from Brian Addison, Esq., General Counsel of the Company, covering the matters set forth in Exhibit 4.4(a) and covering such other matters incident to the transactions contemplated hereby as such Purchaser or its counsel may reasonably request (and the Company hereby instructs its counsel to deliver such opinion to the Purchasers) and (b) from Chapman and Cutler LLP, the Purchasers' special counsel in connection with such transactions, substantially in the form set forth in Exhibit 4.4(b) and covering such other matters incident to such transactions as such Purchaser may reasonably request.

Section 4.5. Purchase Permitted By Applicable Law, Etc. On the date of the Closing such Purchaser's purchase of Notes shall (a) be permitted by the laws and regulations of each jurisdiction to which such Purchaser is subject, without recourse to provisions (such as section 1405(a)(8) of the New York Insurance Law) permitting limited investments by insurance companies without restriction as to the character of the particular investment, (b) not violate any applicable law or regulation (including, without limitation, Regulation T, U or X of the Board of Governors of the Federal Reserve System) and (c) not subject such Purchaser to any tax, penalty or liability under or pursuant to any applicable law or regulation, which law or regulation was not in effect on the date hereof. If requested by such Purchaser, such Purchaser shall have received an Officer's Certificate certifying as to such matters of fact as such Purchaser may reasonably specify to enable such Purchaser to determine whether such purchase is so permitted.

Section 4.6. Sale of Other Notes. Contemporaneously with the Closing the Company shall sell to each other Purchaser and each other Purchaser shall purchase the Notes to be purchased by it at the Closing as specified in Schedule A.

Section 4.7. Payment of Special Counsel Fees. Without limiting the provisions of Section 15.1, the Company shall have paid on or before the Closing Date, the reasonable fees, reasonable charges and reasonable disbursements of the Purchasers' special counsel referred to in Section 4.4 to the extent reflected in a statement of such counsel rendered to the Company at least one Business Day prior to the Closing Date.

Section 4.8. Private Placement Number. A Private Placement Number issued by Standard & Poor's CUSIP Service Bureau (in cooperation with the Securities Valuation Office of the National Association of Insurance Commissioners) shall have been obtained for the Notes.

Section 4.9. Changes in Corporate Structure. The Company shall not have changed its jurisdiction of organization, been a party to any merger or consolidation, or shall not have succeeded to all or any substantial part of the liabilities of any other entity, at any time following the date of the most recent financial statements referred to in Section 5.5.

Section 4.10. Funding Instructions. At least three Business Days prior to the date of the Closing, each Purchaser shall have received written instructions signed by a Responsible Officer

on letterhead of the Company confirming the information specified in Section 3 including (i) the name and address of the transferee bank, (ii) such transferee bank's ABA number and (iii) the account name and number into which the purchase price for the Notes is to be deposited.

Section 4.11. Proceedings and Documents. All corporate and other organizational proceedings in connection with the transactions contemplated by this Agreement and all documents and instruments incident to such transactions shall be reasonably satisfactory to such Purchaser and its special counsel, and such Purchaser and its special counsel shall have received all such counterpart originals or certified or other copies of such documents as such Purchaser or such special counsel may reasonably request.

SECTION 5. REPRESENTATIONS AND WARRANTIES OF THE COMPANY.

The Company represents and warrants to each Purchaser that:

Section 5.1. Organization; Power and Authority. The Company is a corporation duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation, and is duly qualified as a foreign corporation and is in good standing in each jurisdiction in which such qualification is required by law, other than those jurisdictions as to which the failure to be so qualified or in good standing would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. The Company has the corporate power and authority to own or hold under lease the properties it purports to own or hold under lease, to transact the business it transacts and proposes to transact, to execute and deliver this Agreement and the Notes and to perform the provisions hereof and thereof.

Section 5.2. Authorization, Etc. This Agreement and the Notes to be issued on the Closing Date have been duly authorized by all necessary corporate action on the part of the Company, and this Agreement constitutes, and upon execution and delivery thereof each such Note will constitute, a legal, valid and binding obligation of the Company enforceable against the Company in accordance with its terms, except as such enforceability may be limited by (i) applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally and (ii) general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

Section 5.3. Disclosure. The documents filed by the Company with the Securities and Exchange Commission (the "Public Filings") fairly describe, in all material respects, the general nature of the business and principal properties of the Company and its Restricted Subsidiaries. This Agreement, the Public Filings, the documents, certificates or other writings delivered to the Purchasers by or on behalf of the Company in connection with the transactions contemplated hereby and the financial statements referred to in Section 5.5, in each case, delivered (or deemed to be delivered by reference to the Public Filings) to the Purchasers prior to February 21, 2007 (this Agreement, the Public Filings and such documents, certificates or other writings and such financial statements being referred to, collectively, as the "Disclosure Documents"), taken as a whole, do not contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein not misleading in light of the circumstances under which they were made. Except as disclosed in the Disclosure Documents, since December 31,

2006, there has been no change in the financial condition, operations, business or properties of the Company or any of its Restricted Subsidiaries except changes that individually or in the aggregate would not reasonably be expected to have a Material Adverse Effect. There is no fact known to the Company that would reasonably be expected to have a Material Adverse Effect that has not been set forth herein or in the Disclosure Documents.

Section 5.4. Organization and Ownership of Shares of Subsidiaries; Affiliates. (a) Schedule 5.4 contains (except as noted therein) complete and correct lists (i) of the Company's Restricted and Unrestricted Subsidiaries, showing, as to each Subsidiary, the correct name thereof, the jurisdiction of its organization, and the percentage of shares of each class of its capital stock or similar equity interests outstanding owned by the Company and its Subsidiaries, (ii) of the Company's Affiliates, other than Subsidiaries, and (iii) of the Company's directors and senior officers.

(b) All of the outstanding shares of capital stock or similar equity interests of each Subsidiary shown in Schedule 5.4 as being owned by the Company and its Subsidiaries have been validly issued, are fully paid and nonassessable and are owned by the Company or another Subsidiary free and clear of any Material Lien (except as otherwise disclosed in Schedule 5.4).

(c) Each Subsidiary identified in Schedule 5.4 is a corporation or other legal entity duly organized, validly existing and in good standing under the laws of its jurisdiction of organization, and is duly qualified as a foreign corporation or other legal entity and is in good standing in each jurisdiction in which such qualification is required by law, other than those jurisdictions as to which the failure to be so qualified or in good standing would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. Each such Subsidiary has the corporate or other power and authority to own or hold under lease the properties it purports to own or hold under lease and to transact the business it transacts and proposes to transact.

(d) No Subsidiary is a party to, or otherwise subject to, any legal restriction or any agreement (other than this Agreement, the agreements listed on Schedule 5.4 and customary limitations imposed by corporate law statutes) restricting the ability of such Subsidiary to pay dividends out of profits or make any other similar distributions of profits to the Company or any of its Subsidiaries that owns outstanding shares of capital stock or similar equity interests of such Subsidiary.

Section 5.5. Financial Statements; Material Liabilities. The Company has delivered to each Purchaser copies of the (quarterly and annual) financial statements of the Company and its Subsidiaries contained in the Public Filings for the years 2002 through 2006, inclusive. All of said financial statements (including in each case the related schedules and notes) fairly present in all material respects the consolidated financial position of the Company and its Subsidiaries as of the respective dates specified in such Public Filings and the consolidated results of their operations and cash flows for the respective periods so specified and have been prepared in accordance with GAAP consistently applied throughout the periods involved except as set forth in the notes thereto (subject, in the case of any interim financial statements, to normal year-end adjustments). The Company and its Subsidiaries do not have any Material liabilities that are not disclosed on such financial statements or otherwise disclosed in the Disclosure Documents.

Section 5.6. Compliance with Laws, Other Instruments, Etc. The execution, delivery and performance by the Company of this Agreement and the Notes will not (a) contravene, result in any breach of, or constitute a default under, or result in the creation of any Lien in respect of any property of the Company or any Subsidiary under, any indenture, mortgage, deed of trust, loan, purchase or credit agreement, lease, corporate charter or by-laws, or any other agreement or instrument to which the Company or any Subsidiary is bound or by which the Company or any Subsidiary or any of their respective properties may be bound or affected, (b) conflict with or result in a breach of any of the terms, conditions or provisions of any order, judgment, decree, or ruling of any court, arbitrator or Governmental Authority applicable to the Company or any Subsidiary, or (c) violate any provision of any statute or other rule or regulation of any Governmental Authority applicable to the Company or any Subsidiary.

(b) Neither the Company nor any Restricted Subsidiary is in default under any term of any agreement or instrument to which it is a party or by which it is bound, or any order, judgment, decree or ruling of any court, arbitrator or Governmental Authority or is in violation of any applicable law, ordinance, rule or regulation (including without limitation Environmental Laws or the USA Patriot Act) of any Governmental Authority, which default or violation, individually or in the aggregate, would reasonably be expected to have a Material Adverse Effect.

Section 5.9. Taxes. The Company and its Subsidiaries have filed all tax returns that are required to have been filed in any jurisdiction, and have paid all taxes shown to be due and payable on such returns and all other taxes and assessments levied upon them or their properties, assets, income or franchises, to the extent such taxes and assessments have become due and payable and before they have become delinquent, except for any taxes and assessments (a) the amount of which is not individually or in the aggregate Material or (b) the amount, applicability or validity of which is currently being contested in good faith by appropriate proceedings and with respect to which the Company or a Subsidiary, as the case may be, has established adequate reserves in accordance with GAAP. The Company knows of no basis for any other tax or assessment that would reasonably be expected to have a Material Adverse Effect. The charges, accruals and reserves on the books of the Company and its Subsidiaries in respect of federal, state or other taxes for all fiscal periods are adequate. The federal income tax liabilities of the Company and its Subsidiaries have been finally determined (whether by reason of completed audits or the statute of limitations having run) for all fiscal years up to and including the fiscal year ended December 31, 2003.

Section 5.10. Title to Property; Leases. All Material leases are valid and subsisting and are in full force and effect in all material respects.

Section 5.11. Licenses, Permits, Etc. Except as disclosed in Schedule 5.11,

(a) the Company and its Restricted Subsidiaries own or possess all licenses, permits, franchises, authorizations, patents, copyrights, proprietary software, service marks, trademarks and trade names, or rights thereto, that individually or in the aggregate are Material, without known conflict with the rights of others except to the extent any such conflict would not have a Material Adverse Effect;

(b) no product of the Company or any of its Restricted Subsidiaries infringes in any Material respect any license, permit, franchise, authorization, patent, copyright, proprietary software, service mark, trademark, trade name or other right owned by any other Person, except where any such infringement would not have a Material Adverse Effect; and

(c) there is no Material violation by any Person of any right of the Company or any of its Restricted Subsidiaries with respect to any patent, copyright, proprietary software, service mark, trademark, trade name or other right owned or used by the Company or any of its Restricted Subsidiaries, except where any such violation would not have a Material Adverse Effect.

Section 5.12. Compliance with ERISA. Neither the Company nor any ERISA Affiliate has incurred any liability pursuant to Title I or IV of ERISA or the penalty or excise tax provisions of the Code relating to employee benefit plans (as defined in section 3 of ERISA), and no event, transaction or condition has occurred or exists that would reasonably be expected to result in the incurrence of any such liability by the Company or any ERISA Affiliate, or in the imposition of any Lien on any of the rights, properties or assets of the Company or any ERISA Affiliate, in either case pursuant to Title I or IV of ERISA or to such penalty or excise tax provisions or to section 401(a)(29) or 412 of the Code or section 4068 of ERISA, other than such liabilities or Liens as would not be individually or in the aggregate Material.

(b) The present value of the aggregate benefit liabilities under each of the Plans (other than Multiemployer Plans) and all foreign employee benefit plans, determined as of the end of such Plan's (and such foreign employee benefit plans') most recently ended plan year on the

basis of the actuarial assumptions specified for funding purposes in such Plan's most recent actuarial valuation report, did not exceed the aggregate current value of the assets of such Plans (and such foreign employee benefit plans) allocable to such benefit liabilities by more than \$96,500,000 in the aggregate for all Plans and all foreign employee benefit plans. The term "*benefit liabilities*" has the meaning specified in section 4001 of ERISA and the terms "*current value*" and "*present value*" have the meaning specified in section 3 of ERISA.

(c) The Company and its ERISA Affiliates have not incurred any withdrawal liabilities (and are not subject to contingent withdrawal liabilities) under section 4201 or 4204 of ERISA in respect of Multiemployer Plans that individually or in the aggregate are Material.

(d) The expected post-retirement benefit obligation (determined as of the last day of the Company's most recently ended fiscal year in accordance with Financial Accounting Standards Board Statement No. 106, without regard to liabilities attributable to continuation coverage mandated by section 4980B of the Code) of the Company and its Subsidiaries is not Material.

(e) The execution and delivery of this Agreement and the issuance and sale of the Notes hereunder will not involve any transaction that is subject to the prohibitions of Section 406 of ERISA or in connection with which a tax would be imposed pursuant to Section 4975(c)(1)(A)-(D) of the Code. The representation by the Company in the first sentence of this Section 5.12(e) is made in reliance upon and subject to the accuracy of each Purchaser's representation in Section 6.3 as to the sources of the funds to be used to pay the purchase price of the Notes to be purchased by such Purchaser.

Section 5.13. Private Offering by the Company. Neither the Company nor anyone acting on the Company's behalf has offered the Notes or any similar securities for sale to, or solicited any offer to buy any of the same from, or otherwise approached or negotiated in respect thereof with, any Person other than the Purchasers and not more than 35 other Institutional Investors, each of which has been offered the Notes in connection with a private sale for investment. Neither the Company nor anyone acting on its behalf has taken, or will take, any action that would subject the issuance or sale of the Notes to the registration requirements of Section 5 of the Securities Act or to the registration requirements of any securities or blue sky laws of any applicable jurisdiction.

Section 5.14. Use of Proceeds; Margin Regulations. The Company will apply the proceeds of the sale of the Notes for general corporate purposes of the Company. No part of the proceeds from the sale of the Notes hereunder will be used, directly or indirectly, for the purpose of buying or carrying any margin stock within the meaning of Regulation U of the Board of Governors of the Federal Reserve System (12 CFR 221), or for the purpose of buying or carrying or trading in any securities under such circumstances as to involve the Company in a violation of Regulation X of said Board (12 CFR 224) or to involve any broker or dealer in a violation of Regulation T of said Board (12 CFR 220). Margin stock does not constitute more than 5% of the value of the consolidated assets of the Company and its Subsidiaries and the Company does not have any present intention that margin stock will constitute more than 5% of the value of such assets. As used in this Section, the terms "*margin stock*" and "*purpose of buying or carrying*" shall have the meanings assigned to them in said Regulation U.

Neither the Company nor any Restricted Subsidiary is in default and no waiver of default is currently in effect, in the payment of any principal or interest on any Debt of the Company or such Restricted Subsidiary, and no event or condition exists with respect to any Debt of the Company or any Restricted Subsidiary, that would permit (or that with notice or the lapse of time, or both, would permit) one or more Persons to cause such Debt to become due and payable before its stated maturity or before its regularly scheduled dates of payment.

(b) Except as disclosed in Schedule 5.15, neither the Company nor any Restricted Subsidiary has agreed or consented to cause or permit in the future (upon the happening of a contingency or otherwise) any of its property, whether now owned or hereafter acquired, to be subject to a Lien not permitted by Section 10.4.

(c) Neither the Company nor any Subsidiary is a party to, or otherwise subject to any provision contained in, any instrument evidencing Debt of the Company or such Subsidiary, any agreement relating thereto or any other agreement (including, but not limited to, its charter or other organizational document) which limits the amount of, or otherwise imposes restrictions on the incurring of, Debt of the Company, except as specifically indicated in Schedule 5.15.

Section 5.16. Foreign Assets Control Regulations, Etc. (a) Neither the sale of the Notes by the Company hereunder nor its use of the proceeds thereof will violate the Trading with the Enemy Act, as amended, or any of the foreign assets control regulations of the United States Treasury Department (31 CFR, Subtitle B, Chapter V, as amended) or any enabling legislation or executive order relating thereto.

(b) Neither the Company nor any Subsidiary is a Person described or designated in the Specially Designated Nationals and Blocked Persons List of the Office of Foreign Assets Control or in Section 1 of the Anti-Terrorism Order or, to the knowledge of the Company, engages in any dealings or transactions with any such Person. (b) Neither the Company nor any Restricted Subsidiary has knowledge of any facts which would give rise to any liability, public or private, of violation of Environmental Laws or damage to the environment emanating from, occurring on or in any way related to real properties now or formerly owned, leased or operated by any of them or to other assets or their use, except, in each case, such as would not reasonably be expected to result in a Material Adverse Effect.

(c) Neither the Company nor any of its Restricted Subsidiaries has stored any Hazardous Materials on real properties now or formerly owned, leased or operated by any of them or has disposed of any Hazardous Materials in each case in a manner contrary to any Environmental Laws in each case in any manner that would reasonably be expected to result in a Material Adverse Effect.

(d) All buildings on all real properties now owned, leased or operated by the Company or any of its Restricted Subsidiaries are in compliance with applicable Environmental Laws, except where failure to comply would not reasonably be expected to result in a Material Adverse Effect.

or regulations to which each of them is subject, including, without limitation, ERISA, the USA Patriot Act and Environmental Laws, and will obtain and maintain in effect all licenses, certificates, permits, franchises and other governmental authorizations necessary to the ownership of their respective properties or to the conduct of their respective businesses, in each case to the extent necessary to ensure that non-compliance with such laws, ordinances or governmental rules or regulations or failures to obtain or maintain in effect such licenses, certificates, permits, franchises and other governmental authorizations would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

Section 9.2. Insurance. The Company will, and will cause each of its Restricted Subsidiaries to, maintain, with financially sound and reputable insurers, insurance with respect to their respective properties and businesses against such casualties and contingencies, of such types, on such terms and in such amounts (including deductibles, co-insurance and self-insurance, if adequate reserves are maintained with respect thereto) as is customary in the case of entities of established reputations engaged in the same or a similar business and similarly situated except for any non-maintenance that would not reasonably be expected to have a Material Adverse Effect.

Section 9.3. Maintenance of Properties. The Company will, and will cause each of its Restricted Subsidiaries to, maintain and keep, or cause to be maintained and kept, their respective properties in good repair, working order and condition (other than ordinary wear and tear), so that the business carried on in connection therewith may be properly conducted at all times, *provided* that this Section shall not prevent the Company or any Restricted Subsidiary from discontinuing the operation and the maintenance of or disposing of any of its properties if such discontinuance or disposal is desirable in the conduct of its business and the Company has concluded that such discontinuance or disposal would not, individually or in the aggregate, (i) reasonably be expected to have a Material Adverse Effect or (ii) would not violate the limitations set forth in Sections 10.4 and 10.5 hereof.

Section 9.4. Payment of Taxes and Claims. The Company will, and will cause each of its Subsidiaries to, file all tax returns required to be filed in any jurisdiction and to pay and discharge all taxes shown to be due and payable on such returns and all other taxes, assessments, governmental charges, or levies imposed on them or any of their properties, assets, income or franchises, to the extent such taxes and assessments have become due and payable and before they have become delinquent and all claims for which sums have become due and payable that have or might become a Lien on properties or assets of the Company or any Subsidiary not permitted by Section 10.3, *provided* that neither the Company nor any Subsidiary need pay any such tax or assessment or claims if (i) the amount, applicability or validity thereof is contested by the Company or such Subsidiary on a timely basis in good faith and in appropriate proceedings, and the Company or a Subsidiary has established adequate reserves therefor in accordance with GAAP on the books of the Company or such Subsidiary or (ii) the non-filing or nonpayment, as the case may be, of any such taxes and assessments in the aggregate would not reasonably be expected to have a Material Adverse Effect.

Section 9.5. Corporate Existence, Etc. Subject to Sections 10.4 and 10.5, the Company will at all times preserve and keep in full force and effect its corporate existence, and will at all

times preserve and keep in full force and effect the corporate existence of each of its Restricted Subsidiaries (unless merged into the Company or a Restricted Subsidiary) and all rights and franchises of the Company and its Restricted Subsidiaries unless, in the good faith judgment of the Company, the termination of or failure to preserve and keep in full force and effect such corporate existence, right or franchise would not, individually or in the aggregate, have a Material Adverse Effect.

Section 9.6. Designation of Subsidiaries. The Company may from time to time cause any Subsidiary (other than a Subsidiary Guarantor) to be designated as an Unrestricted Subsidiary or any Unrestricted Subsidiary to be designated a Restricted Subsidiary; *provided, however,* that at the time of such designation and immediately after giving effect thereto, (a) no Default or Event of Default would exist under the terms of this Agreement, and (b) the Company and its Restricted Subsidiaries would be in compliance with all of the covenants set forth in this Section 9 and Section 10 if tested on the date of such action and *provided, further,* that once a Subsidiary has been designated an Unrestricted Subsidiary, it shall not thereafter be redesignated as a Restricted Subsidiary on more than one occasion and once a Subsidiary has been designated a Restricted Subsidiary, it shall not thereafter be redesignated as an Unrestricted Subsidiary on more than one occasion. Within ten (10) days following any designation described above, the Company will deliver to you a notice of such designation accompanied by a certificate signed by a Senior Financial Officer of the Company certifying compliance with all requirements of this Section 9.6 and setting forth all information required in order to establish such compliance.

Section 9.7. Notes to Rank Pari Passu. The Notes and all other obligations under this Agreement of the Company are and at all times shall remain direct and unsecured obligations of the Company ranking *pari passu* as against the assets of the Company with all other Notes from time to time issued and outstanding hereunder without any preference among themselves and *pari passu* with all Debt outstanding under the Bank Credit Agreement and all other present and future unsecured Debt (actual or contingent) of the Company which is not expressed to be subordinate or junior in rank to any other unsecured Debt of the Company.

Section 9.8. Subsidiary Guarantors. The Company will cause any Subsidiary which is required by the terms of the Bank Credit Agreement to become obligated for, or otherwise guarantee, Debt of the Company in respect of the Bank Credit Agreement, to deliver to each of the holders of the Notes (concurrently with the incurrence of any such obligation) the following items:

- (a) a duly executed Subsidiary Guaranty in scope, form and substance satisfactory to the Required Holders;
- (b) a certificate signed by an authorized Responsible Officer of the Company making representations and warranties to the effect of those contained in Sections 5.4, 5.6 and 5.7, with respect to such Subsidiary and the Subsidiary Guaranty, as applicable; and
- (c) an opinion of counsel (who may be in-house counsel for the Company) addressed to each of the holders of the Notes satisfactory to the Required Holders, to the effect that the Subsidiary Guaranty by such Person has been duly authorized, executed

and delivered and that the Subsidiary Guaranty constitutes the legal, valid and binding contract and agreement of such Person enforceable in accordance with its terms, except as an enforcement of such terms may be limited by bankruptcy, insolvency, fraudulent conveyance and similar laws affecting the enforcement of creditors' rights generally and by general equitable principles.

Section 9.9. Books and Records. The Company will, and will cause each of its Restricted Subsidiaries to, maintain proper books of record and account in conformity with GAAP (or with respect to any Restricted Subsidiary organized and operating in a jurisdiction other than the United States of America, in conformity to such jurisdiction's generally accepted accounting principles) and all applicable requirements of any Governmental Authority having legal or regulatory jurisdiction over the Company or such Restricted Subsidiary, as the case may be.

SECTION 12. REMEDIES ON DEFAULT, ETC.

Section 12.1. Acceleration. (a) If an Event of Default with respect to the Company described in paragraph (h) or (i) of Section 11 (other than an Event of Default described in clause (i) of paragraph (h) or described in clause (vi) of paragraph (h) by virtue of the fact that such clause encompasses clause (i) of paragraph (h)) has occurred, all Notes then outstanding shall automatically become immediately due and payable.

(b) If any other Event of Default has occurred and is continuing, any holder or holders of more than 50% in aggregate principal amount of the Notes at the time outstanding may at any time at its or their option, by notice or notices to the Company, declare all Notes then outstanding to be immediately due and payable.

(c) If any Event of Default described in paragraph (a) or (b) of Section 11 has occurred and is continuing with respect to any Notes, any holder or holders of Notes at the time outstanding affected by such Event of Default may at any time, at its or their option, by notice or notices to the Company, declare all the Notes held by such holder or holders to be immediately due and payable.

Upon any Note's becoming due and payable under this Section 12.1, whether automatically or by declaration, such Note will forthwith mature and the entire unpaid principal amount of such Note, plus (i) all accrued and unpaid interest thereon (including, but not limited to, interest accrued thereon at the Default Rate) and (ii) the LIBOR Breakage Amount and Prepayment Premium, if any, determined in respect of such principal amount (to the full extent permitted by applicable law), shall all be immediately due and payable, in each and every case without presentment, demand, protest or further notice, all of which are hereby waived. The Company acknowledges, and the parties hereto agree, that each holder of a Note has the right to maintain its investment in the Notes free from repayment by the Company (except as herein specifically provided for) and that the provision for payment of the LIBOR Breakage Amount and Prepayment Premium, if any, by the Company in the event that the Notes are prepaid or are accelerated as a result of an Event of Default, is intended to provide compensation for the deprivation of such right under such circumstances.

Section 12.2. Other Remedies. If any Default or Event of Default has occurred and is continuing, and irrespective of whether any Notes have become or have been declared immediately due and payable under Section 12.1, the holder of any Note at the time outstanding may proceed to protect and enforce the rights of such holder by an action at law, suit in equity or other appropriate proceeding, whether for the specific performance of any agreement contained herein or in any Note, or for an injunction against a violation of any of the terms hereof or thereof, or in aid of the exercise of any power granted hereby or thereby or by law or otherwise.

Section 12.3. Rescission. At any time after the Notes have been declared due and payable pursuant to clause (b) or (c) of Section 12.1, the holders of not less than 51% in aggregate principal amount of the Notes then outstanding, by written notice to the Company, may rescind and annul any such declaration and its consequences if (a) the Company has paid all overdue interest on the Notes, all principal of and LIBOR Breakage Amount and Prepayment Premium, if any, on any Notes that are due and payable and are unpaid other than by reason of such declaration, and all interest on such overdue principal and LIBOR Breakage Amount and Prepayment Premium, if any, and (to the extent permitted by applicable law) any overdue interest in respect of the Notes, at the Default Rate, (b) neither the Company nor any other Person shall have paid any amounts which have become due solely by reason of such declaration, (c) all Events of Default and Defaults, other than non-payment of amounts that have become due solely by reason of such declaration, have been cured or have been waived pursuant to Section 17, and (d) no judgment or decree has been entered for the payment of any monies due pursuant hereto or to any Notes. No rescission and annulment under this Section 12.3 will extend to or affect any subsequent Event of Default or Default or impair any right consequent thereon.

Section 12.4. No Waivers or Election of Remedies, Expenses, Etc. No course of dealing and no delay on the part of any holder of any Note in exercising any right, power or remedy shall operate as a waiver thereof or otherwise prejudice such holder's rights, powers or remedies. No right, power or remedy conferred by this Agreement or by any Note upon any holder thereof shall be exclusive of any other right, power or remedy referred to herein or therein or now or hereafter available at law, in equity, by statute or otherwise. Without limiting the obligations of the Company under Section 15, in the event the Company fails to pay upon demand as required under this Section 12, the Company will pay to the holder of each Note on demand such further amount as shall be sufficient to cover all costs and expenses of such holder incurred in any enforcement or collection under this Section 12, including, without limitation, reasonable attorneys' fees, expenses and disbursements.

SECTION 13. REGISTRATION; EXCHANGE; SUBSTITUTION OF NOTES.

Section 13.1. Registration of Notes. The Company shall keep at its principal executive office a register for the registration and registration of transfers of Notes. The name and address of each holder of one or more Notes, each transfer thereof and the name and address of each transferee of one or more Notes shall be registered in such register. Prior to due presentment for registration of transfer, the Person in whose name any Note shall be registered shall be deemed and treated as the owner and holder thereof for all purposes hereof, and the Company shall not be affected by any notice or knowledge to the contrary. The Company shall give to any holder of a

Note that is an Institutional Investor promptly upon request therefor, a complete and correct copy of the names and addresses of all registered holders of Notes.

Section 13.2. Transfer and Exchange of Notes. Upon surrender of any Note to the Company at the address and to the attention of the designated officer (all as specified in Section 18(iii)), for registration of transfer or exchange (and in the case of a surrender for registration of transfer accompanied by a written instrument of transfer duly executed by the registered holder of such Note or such holder's attorney duly authorized in writing and accompanied by the relevant name, address and other information for notices of each transferee of such Note or part thereof), within ten Business Days thereafter, the Company shall execute and deliver, at the Company's expense (except as provided below), one or more new Notes (as requested by the holder thereof) in exchange therefor, in an aggregate principal amount equal to the unpaid principal amount of the surrendered Note. Each such new Note shall be payable to such Person as such holder may request in accordance with this Agreement, and shall be substantially in the form of the Note originally issued hereunder. Each such new Note shall be dated and bear interest from the date to which interest shall have been paid on the surrendered Note or dated the date of the surrendered Note if no interest shall have been paid thereon. The Company may require payment of a sum sufficient to cover any stamp tax or governmental charge imposed in respect of any such transfer of Notes. Notes shall not be transferred in denominations of less than \$100,000, *provided* that if necessary to enable the registration of transfer by a holder of its entire holding of Notes, one Note may be in a denomination of less than \$100,000. Any transferee, by its acceptance of a Note registered in its name (or the name of its nominee), shall be deemed to have made the representation set forth in Section 6.3, *provided*, that in lieu thereof such holder may (in reliance upon information provided by the Company, which shall not be unreasonably withheld) make a representation to the effect that the purchase by any holder of any Note will not constitute a non-exempt prohibited transaction under section 406(a) of ERISA.

The Notes have not been registered under the Securities Act or under the securities laws of any state and may not be transferred or resold unless registered under the Securities Act and all applicable state securities laws or unless an exemption from the requirement for such registration is available.

Section 13.3. Replacement of Notes. Upon receipt by the Company at the address and to the attention of the designated officer (all as specified in Section 18(iii)) of evidence reasonably satisfactory to it of the ownership of and the loss, theft, destruction or mutilation of any Note (which evidence shall be, in the case of an Institutional Investor, notice from such Institutional Investor of such ownership and such loss, theft, destruction or mutilation), and

(a) in the case of loss, theft or destruction, of indemnity reasonably satisfactory to it (*provided* that if the holder of such Note is, or is a nominee for, an original Purchaser or another holder of a Note with a minimum net worth of at least \$50,000,000 or a Qualified Institutional Buyer, such Person's own unsecured agreement of indemnity shall be deemed to be satisfactory), or

(b) in the case of mutilation, upon surrender and cancellation thereof,

the Company at its own expense shall execute and deliver not more than five Business Days following satisfaction of such conditions, in lieu thereof, a new Note, dated and bearing interest from the date to which interest shall have been paid on such lost, stolen, destroyed or mutilated Note or dated the date of such lost, stolen, destroyed or mutilated Note if no interest shall have been paid thereon.

SECTION 14. PAYMENTS ON NOTES.

Section 14.1. Place of Payment. Subject to Section 14.2, payments of principal, Prepayment Premium, if any, and interest becoming due and payable on the Notes shall be made in New York, New York at the principal office of Bank of America, N.A. in such jurisdiction. The Company may at any time, by notice to each holder of a Note, change the place of payment of the Notes so long as such place of payment shall be either the principal office of the Company in such jurisdiction or the principal office of a bank or trust company in such jurisdiction.

Section 14.2. Home Office Payment. So long as any Purchaser or such Purchaser's nominee shall be the holder of any Note, and notwithstanding anything contained in Section 14.1 or in such Note to the contrary, the Company will pay all sums becoming due on such Note for principal, LIBOR Breakage Amount and Prepayment Premium, if any, and interest by the method and at the address specified for such purpose for such Purchaser on Schedule A hereto, or by such other method or at such other address as such Purchaser shall have from time to time specified to the Company in writing for such purpose, without the presentation or surrender of such Note or the making of any notation thereon, except that upon written request of the Company made concurrently with or reasonably promptly after payment or prepayment in full of any Note or such Purchaser shall surrender such Note for cancellation, reasonably promptly after any such request, to the Company at its principal executive office or at the place of payment most recently designated by the Company pursuant to Section 14.1. Prior to any sale or other disposition of any Note held by any Purchaser or such Person's nominee, such Person will, at its election, either endorse thereon the amount of principal paid thereon and the last date to which interest has been paid thereon or surrender such Note to the Company in exchange for a new Note or Notes pursuant to Section 13.2. The Company will afford the benefits of this Section 14.2 to any Institutional Investor that is the direct or indirect transferee of any Note.

SECTION 15. EXPENSES, ETC.

Section 15.1. Transaction Expenses. Whether or not the transactions contemplated hereby are consummated, the Company will pay all costs and expenses (including reasonable attorneys' fees of a special counsel for the Purchasers and, if reasonably required by the Required Holders, local or other counsel) reasonably incurred by each Purchaser and each other holder of a Note in connection with such transactions and in connection with any amendments, waivers or consents under or in respect of this Agreement or the Notes (whether or not such amendment, waiver or consent becomes effective) for: (a) the costs and expenses incurred in enforcing or defending (or determining whether or how to enforce or defend) any rights under this Agreement or the Notes or in responding to any subpoena or other legal process or informal investigative demand issued in connection with this Agreement or the Notes, or by reason of being a holder of

any Note, and (b) the costs and expenses, including financial advisors' fees, incurred in connection with the insolvency or bankruptcy of the Company or any Subsidiary or in connection with any work-out or restructuring of the transactions contemplated hereby and by the Notes. The Company will pay, and will save each Purchaser and each other holder of a Note harmless from, all claims in respect of any fees, costs or expenses if any, of brokers and finders (other than those, if any, retained by a Purchaser or other holder in connection with its purchase of the Notes).

Section 15.2. Survival. The obligations of the Company under this Section 15 will survive the payment or transfer of any Note, the enforcement, amendment or waiver of any provision of this Agreement or the Notes, and the termination of this Agreement.

SECTION 16. SURVIVAL OF REPRESENTATIONS AND WARRANTIES; ENTIRE AGREEMENT.

All representations and warranties contained herein or in any certificate or other instrument delivered by or on behalf of the Company pursuant to this Agreement shall survive the execution and delivery of this Agreement and the Notes, the purchase or transfer by any Purchaser of any such Note or portion thereof or interest therein and the payment of any Note and may be relied upon by any subsequent holder of any such Note, regardless of any investigation made at any time by or on behalf of any Purchaser or any other holder of any such Note. Subject to the preceding sentence, this Agreement and the Notes embody the entire agreement and understanding between the Purchasers and the Company and supersede all prior agreements and understandings relating to the subject matter hereof.

SECTION 17. AMENDMENT AND WAIVER.

Section 17.1. Requirements. This Agreement and the Notes may be amended, and the observance of any term hereof or of the Notes may be waived (either retroactively or prospectively), with (and only with) the written consent of the Company and the Required Holders, except that (a) no amendment or waiver of any of the provisions of Section 1, 2, 3, 4, 6 or 21 hereof, or any defined term, will be effective as to any holder of Notes unless consented to by such holder of Notes in writing, and (b) no such amendment or waiver may, without the written consent of all of the holders of Notes at the time outstanding affected thereby, (A) subject to the provisions of Section 12 relating to acceleration or rescission, change the amount or time of any prepayment or payment of principal of, or reduce the rate or change the time of payment or method of computation of interest (if such change results in a decrease in the interest rate) or of the LIBOR Breakage Amount and Prepayment Premium, if any, on the Notes, (B) change the percentage of the principal amount of the Notes the holders of which are required to consent to any such amendment or waiver, or (C) amend any of Sections 8, 11(a), 11(b), 12, 17 or 20.

Section 17.2. Solicitation of Holders of Notes.

(a) *Solicitation.* The Company will provide each holder of the Notes (irrespective of the amount of Notes then owned by it) with sufficient information, sufficiently far in advance of the date a decision is required, to enable such holder to make an informed and considered decision with respect to any proposed amendment, waiver or consent in respect of any of the

provisions hereof or of the Notes. The Company will deliver executed or true and correct copies of each amendment, waiver or consent effected pursuant to the provisions of this Section 17 to each holder of outstanding Notes promptly following the date on which it is executed and delivered by, or receives the consent or approval of, the requisite holders of Notes.

(b) *Payment.* The Company will not directly or indirectly pay or cause to be paid any remuneration, whether by way of supplemental or additional interest, fee or otherwise, or grant any security or provide other credit support, to any holder of Notes as consideration for or as an inducement to the entering into by any holder of Notes of any waiver or amendment of any of the terms and provisions hereof unless such remuneration is concurrently paid, or security is concurrently granted or other credit support is concurrently provided, on the same terms, ratably to each holder of Notes then outstanding even if such holder did not consent to such waiver or amendment.

(c) *Consent in Contemplation of Transfer.* Any consent made pursuant to this Section 17 by a holder of Notes that has transferred or has agreed to transfer its Notes to the Company, any Subsidiary or any Affiliate of the Company and has provided or has agreed to provide such written consent as a condition to such transfer shall be void and of no force or effect except solely as to such holder, and any amendments effected or waivers granted or to be effected or granted that would not have been or would not be so effected or granted but for such consent (and the consents of all other holders of Notes that were acquired under the same or similar conditions) shall be void and of no force or effect except solely as to such holder.

Section 17.3. Binding Effect, Etc. Any amendment or waiver consented to as provided in this Section 17 applies equally to all holders of Notes and is binding upon them and upon each future holder of any Note and upon the Company without regard to whether such Note has been marked to indicate such amendment or waiver. No such amendment or waiver will extend to or affect any obligation, covenant, agreement, Default or Event of Default not expressly amended or waived or impair any right consequent thereon. No course of dealing between the Company and the holder of any Note nor any delay in exercising any rights hereunder or under any Note shall operate as a waiver of any rights of any holder of such Note. As used herein, the term "this Agreement" and references thereto shall mean this Agreement as it may from time to time be amended or supplemented.

Section 17.4. Notes Held by Company, Etc. Solely for the purpose of determining whether the holders of the requisite percentage of the aggregate principal amount of Notes then outstanding approved or consented to any amendment, waiver or consent to be given under this Agreement or the Notes, or have directed the taking of any action provided herein or in the Notes to be taken upon the direction of the holders of a specified percentage of the aggregate principal amount of Notes then outstanding, Notes directly or indirectly owned by the Company or any of its Affiliates shall be deemed not to be outstanding.

SECTION 18. NOTICES.

All notices and communications provided for hereunder shall be in writing and sent (a) by telecopy if the sender on the same day sends a confirming copy of such notice by a recognized

overnight delivery service (charges prepaid), or (b) by a recognized overnight delivery service (with charges prepaid). Any such notice must be sent:

(i) if to a Purchaser or such Purchaser's nominee, to such Purchaser or such Purchaser's nominee at the address specified for such communications in Schedule A to this Agreement, or at such other address as such Purchaser or such Purchaser's nominee shall have specified to the Company in writing pursuant to this Section 18;

(ii) if to any other holder of any Note, to such holder at such address as such other holder shall have specified to the Company in writing pursuant to this Section 18, or

(iii) if to the Company, to the Company at its address set forth at the beginning hereof to the attention of Chief Financial Officer, with a copy to the General Counsel, or at such other address as the Company shall have specified to the holder of each Note in writing.

Notices under this Section 18 will be deemed given only when actually received.

SECTION 19. REPRODUCTION OF DOCUMENTS.

This Agreement and all documents relating thereto, including, without limitation, (a) consents, waivers and modifications that may hereafter be executed, (b) documents received by any Purchaser at the Closing (except the Notes themselves), and (c) financial statements, certificates and other information previously or hereafter furnished to any Purchaser, may be reproduced by such Purchaser by any photographic, photostatic, electronic, digital, or other similar process and such Purchaser may destroy any original document so reproduced. The Company agrees and stipulates that, to the extent permitted by applicable law, any such reproduction shall be admissible in evidence as the original itself in any judicial or administrative proceeding (whether or not the original is in existence and whether or not such reproduction was made by such Purchaser in the regular course of business) and any enlargement, facsimile or further reproduction of such reproduction shall likewise be admissible in evidence. This Section 19 shall not prohibit the Company or any other holder of Notes from contesting any such reproduction to the same extent that it could contest the original, or from introducing evidence to demonstrate the inaccuracy of any such reproduction.

SECTION 20. CONFIDENTIAL INFORMATION.

For the purposes of this Section 20, "*Confidential Information*" means information delivered to any Purchaser by or on behalf of the Company or any Subsidiary in connection with the transactions contemplated by or otherwise pursuant to this Agreement that is proprietary in nature and that was clearly marked or labeled or otherwise adequately identified when received by such Purchaser as being confidential information of the Company or such Subsidiary, *provided* that such term does not include information that (a) was publicly known or otherwise known to such Purchaser prior to the time of such disclosure, (b) subsequently becomes publicly known through no act or omission by such Purchaser or any Person acting on such Purchaser's

behalf, (c) otherwise becomes known to such Purchaser other than through disclosure by the Company or any Subsidiary or (d) constitutes financial statements delivered to such Purchaser under Section 7.1 that are otherwise publicly available. Each Purchaser will maintain the confidentiality of such Confidential Information in accordance with procedures adopted by such Purchaser in good faith to protect confidential information of third parties delivered to such Purchaser, *provided* that such Purchaser may deliver or disclose Confidential Information to (i) such Purchaser's directors, trustees, officers, employees, agents, attorneys and affiliates (to the extent such disclosure reasonably relates to the administration of the investment represented by such Purchaser's Notes), (ii) such Purchaser's financial advisors and other professional advisors who agree to hold confidential the Confidential Information substantially in accordance with the terms of this Section 20, (iii) any other holder of any Note, (iv) any Institutional Investor to which such Purchaser sells or offers to sell such Note or any part thereof or any participation therein (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 20), (v) any Person from which such Purchaser offers to purchase any security of the Company (if such Person has agreed in writing prior to its receipt of such Confidential Information to be bound by the provisions of this Section 20), (vi) any federal or state regulatory authority having jurisdiction over such Purchaser, (vii) the National Association of Insurance Commissioners or any similar organization, or any nationally recognized rating agency that requires access to information about such Purchaser's investment portfolio, or (viii) any other Person to which such delivery or disclosure may be necessary or appropriate (w) to effect compliance with any law, rule, regulation or order applicable to such Purchaser, (x) in response to any subpoena or other legal process, (y) in connection with any litigation to which such Purchaser is a party in connection with the transaction described herein or (z) if an Event of Default has occurred and is continuing, to the extent such Purchaser may reasonably determine such delivery and disclosure to be necessary or appropriate in the enforcement or for the protection of the rights and remedies under such Purchaser's Notes, the Subsidiary Guaranty and this Agreement. Each holder of a Note, by its acceptance of a Note, will be deemed to have agreed to be bound by and to be entitled to the benefits of this Section 20 as though it were a party to this Agreement. On reasonable request by the Company in connection with the delivery to any holder of a Note of information required to be delivered to such holder under this Agreement or requested by such holder (other than a holder that is a party to this Agreement or its nominee), such holder will enter into an agreement with the Company embodying the provisions of this Section 20.

SECTION 21. SUBSTITUTION OF PURCHASER.

Each Purchaser shall have the right to substitute any one of its Subsidiaries as the purchaser of the Notes that it has agreed to purchase hereunder, by written notice to the Company, which notice shall be signed by both such Purchaser and such Subsidiary, shall contain such Subsidiary's agreement to be bound by this Agreement and shall contain a confirmation by such Subsidiary of the accuracy with respect to it of the representations set forth in Section 6. Upon receipt of such notice, any reference to such Purchaser in this Agreement (other than in this Section 21), shall be deemed to refer to such Subsidiary in lieu of such original Purchaser. In the event that such Subsidiary is so substituted as a Purchaser hereunder and such Subsidiary thereafter transfers to such original Purchaser all of the Notes then held by such Subsidiary, upon receipt by the Company of notice of such transfer, any reference to such

Subsidiary as a "Purchaser" in this Agreement (other than in this Section 21), shall no longer be deemed to refer to such Subsidiary, but shall refer to such original Purchaser and such original Purchaser shall again have all the rights of an original holder of the Notes under this Agreement.

SECTION 22. MISCELLANEOUS.

Section 22.1. Successors and Assigns. All covenants and other agreements contained in this Agreement by or on behalf of any of the parties hereto bind and inure to the benefit of their respective successors and assigns (including, without limitation, any subsequent holder of a Note) whether so expressed or not.

Section 22.2. Payments Due on Non-Business Days. Anything in this Agreement or the Notes to the contrary notwithstanding (but without limiting the requirement in Section 8.4 that the notice of any optional prepayment specify a Business Day as the date fixed for such prepayment), any payment of principal of or Prepayment Premium or interest on any Note that is due on a date other than a Business Day shall be made on the next succeeding Business Day without including the additional days elapsed in the computation of the interest payable on such next succeeding Business Day; provided that if the maturity date of any Note is a date other than a Business Day, the payment otherwise due on such maturity date shall be made on the next succeeding Business Day and shall include the additional days elapsed in the computation of interest payable on such next succeeding Business Day.

Section 22.3. Accounting Terms. All accounting terms used herein which are not expressly defined in this Agreement have the meanings respectively given to them in accordance with GAAP. Except as otherwise specifically provided herein, (i) all computations made pursuant to this Agreement shall be made in accordance with GAAP, and (ii) all financial statements shall be prepared in accordance with GAAP.

Section 22.4. Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall (to the full extent permitted by law) not invalidate or render unenforceable such provision in any other jurisdiction.

Section 22.5. Construction. Each covenant contained herein shall be construed (absent express provision to the contrary) as being independent of each other covenant contained herein, so that compliance with any one covenant shall not (absent such an express contrary provision) be deemed to excuse compliance with any other covenant. Where any provision herein refers to action to be taken by any Person, or which such Person is prohibited from taking, such provision shall be applicable whether such action is taken directly or indirectly by such Person.

For the avoidance of doubt, all Schedules and Exhibits attached to this Agreement shall be deemed to be a part hereof.

Section 22.6. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be an original but all of which together shall constitute one

instrument. Each counterpart may consist of a number of copies hereof, each signed by less than all, but together signed by all, of the parties hereto.

Section 22.7. Governing Law. This Agreement shall be construed and enforced in accordance with, and the rights of the parties shall be governed by, the law of the State of New York excluding choice-of-law principles of the law of such State that would permit the application of the laws of a jurisdiction other than such State.

Section 22.8. Jurisdiction and Process; Waiver of Jury Trial. (a) The Company irrevocably submits to the non-exclusive jurisdiction of any New York State or federal court sitting in the Borough of Manhattan, The City of New York, over any suit, action or proceeding arising out of or relating to this Agreement or the Notes. To the fullest extent permitted by applicable law, the Company irrevocably waives and agrees not to assert, by way of motion, as a defense or otherwise, any claim that it is not subject to the jurisdiction of any such court, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding brought in any such court and any claim that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum.

(b) The Company consents to process being served by or on behalf of any holder of Notes in any suit, action or proceeding of the nature referred to in Section 22.8(a) by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, return receipt requested, to it at its address specified in Section 18 or at such other address of which such holder shall then have been notified pursuant to said Section. The Company agrees that such service upon receipt (i) shall be deemed in every respect effective service of process upon it in any such suit, action or proceeding and (ii) shall, to the fullest extent permitted by applicable law, be taken and held to be valid personal service upon and personal delivery to it. Notices hereunder shall be conclusively presumed received as evidenced by a delivery receipt furnished by the United States Postal Service or any reputable commercial delivery service.

(c) Nothing in this Section 22.8 shall affect the right of any holder of a Note to serve process in any manner permitted by law, or limit any right that the holders of any of the Notes may have to bring proceedings against the Company in the courts of any appropriate jurisdiction or to enforce in any lawful manner a judgment obtained in one jurisdiction in any other jurisdiction.

(d) THE PARTIES HERETO HEREBY WAIVE TRIAL BY JURY IN ANY ACTION BROUGHT ON OR WITH RESPECT TO THIS AGREEMENT, THE NOTES OR ANY OTHER DOCUMENT EXECUTED IN CONNECTION HEREWITH OR THEREWITH.

* * * * *

The execution hereof by the Purchasers shall constitute a contract among the Company and the Purchasers for the uses and purposes hereinabove set forth. This Agreement may be executed in any number of counterparts, each executed counterpart constituting an original but all together only one agreement.

Very truly yours,

8. The issuance, sale and delivery of the Notes under the circumstances contemplated by the Note Purchase Agreement do not, under existing law, require the registration of the Notes under the Securities Act of 1933, as amended, or the qualification of an indenture under the Trust Indenture Act of 1939, as amended.
