The Notes will be issued on September 25, 2019, subject to customary conditions precedent. The Note Purchase Agreement provides for various events of default.

Interest on Notes is payable semi-annually on March 25 and September 25, commencing on March 25, 2020 and will be computed on the basis of a 360-day year of twelve 30-day months.

To the Purchasers listed in
the attached Schedule A:

Ladies and Gentlemen:

DENTSPLY SIRONA INC., a Delaware corporation (together with any successor thereto that becomes a party hereto pursuant to Section 10.5, the “**Company**”), agrees with each of the Purchasers as follows:

1. **AUTHORIZATION OF NOTES.**

The Company will authorize the issue and sale of the following Senior Notes:

Issue	Series	Aggregate Principal Amount	Interest Rate	Maturity Date
Senior Notes	Series W	¥12,552,500,000	0.99%	September 25, 2031

The Senior Notes described in this Section 1 above are collectively referred to as the “**Notes**” and each individually, a “**Note**” (such term shall also include any such notes as amended, restated or otherwise modified from time to time and any such notes issued in substitution therefor pursuant to Section 14 of this Agreement). The Notes shall be substantially in the form set out in Exhibit 1 with such changes therefrom, if any, as may be approved by the Purchasers and the Company.

Certain capitalized terms used in this Agreement are defined in Schedule B; references to a “Schedule” or an “Exhibit” are, unless otherwise specified, to a Schedule or an Exhibit attached to this Agreement.

2. **SALE AND PURCHASE OF NOTES.**

Subject to the terms and conditions of this Agreement, the Company will issue and sell to each Purchaser and each Purchaser will purchase from the Company, at the Closing provided for in Section 3, the Notes in the principal amount specified opposite such Purchaser’s name in

Schedule A at the purchase price of 100% of the principal amount thereof. The obligations of each Purchaser hereunder are several and not joint obligations and each Purchaser shall have no obligation and no liability to any Person for the performance or nonperformance by any other Purchaser hereunder.

3. CLOSING.

The sale and purchase of the Notes to be purchased by the Purchasers shall occur at the offices of Morgan, Lewis & Bockius LLP, 101 Park Avenue, New York, New York 10178 at 10:00 a.m. Eastern time, at a closing (the “**Closing**”) on September 25, 2019 or on such other date as may be agreed upon by the Company and the Purchasers (such date, the “**Closing Date**”). On the Closing Date, the Company will deliver to each Purchaser such Notes to be purchased by such Purchaser in the form of a single Note (or such greater number of Notes in denominations of at least ¥100,000,000 as such Purchaser may request) dated the Closing Date and registered in such Purchaser’s name (or in the name of such Purchaser’s nominee), against delivery by such Purchaser to the Company or its order of immediately available funds in the amount of the purchase price therefor by wire transfer of immediately available funds for the account of the Company at Citibank London, Citigroup Centre, Canary Wharf, 25 Canada Square, London E14 5LB, United Kingdom, IBAN GB55CITI18500810806188, SWIFT Code CITIGB2L, Beneficiary/Account Name: DENTSPLY SIRONA Inc.. If, on the Closing Date, the Company shall fail to tender such Notes to any Purchaser as provided above in this Section 3, or any of the conditions specified in Section 4 shall not have been fulfilled to such Purchaser’s satisfaction, such Purchaser shall, at its election, be relieved of all further obligations under this Agreement, without thereby waiving any rights such Purchaser may have by reason of such failure or such nonfulfillment.

4. CONDITIONS TO CLOSING.

Each Purchaser’s obligation to purchase and pay for the Notes to be sold to such Purchaser at the Closing is subject to the fulfillment to such Purchaser’s satisfaction, prior to or at the Closing, of the following conditions:

4.1. Representations and Warranties.

The representations and warranties of the Company in this Agreement shall be correct when made and at the time of the Closing. Notwithstanding the foregoing, at any time during the period commencing with the date hereof and ending on the date of the Closing, the Company may deliver to the Purchasers updates to Schedules 5.3, 5.4 and 5.5 as a result of changes occurring after the date hereof, in which case the existing Schedules 5.3, 5.4 and 5.5 shall be deemed to include the information set forth in such updated Schedules as of the date of such updated Schedules for purposes of the representations and warranties in this Agreement that are required to be made at the time of the Closing; provided, however, that updates to Schedules 5.3

and 5.5 shall be limited to information contained in reports filed by the Company after the date hereof with the SEC under the Exchange Act.

4.2. Performance; No Default.

The Company shall have performed and complied with all agreements and conditions contained in this Agreement required to be performed or complied with by the Company prior to or at the Closing, and before and after giving effect to the issue and sale of the Notes to be issued at the Closing (and the application of the proceeds thereof as contemplated by Section 5.14), no Default or Event of Default shall have occurred and be continuing. Neither the Company nor any Subsidiary shall have entered into any transaction since May 30, 2019 that would have been prohibited by Section 10 hereof had such Section applied since such date.

4.3. Compliance Certificates.

(a) *Officer's Certificate of the Company.* The Company shall have delivered to such Purchaser an Officer's Certificate, dated the date of the Closing, certifying that the conditions specified in Sections 4.1, 4.2 and 4.9 have been fulfilled.

(b) *Secretary's Certificate of the Company.* The Company shall have delivered to such Purchaser a certificate of its Secretary, an Assistant Secretary or another appropriate person, dated the date of the Closing, certifying as to (i) the resolutions attached thereto and other corporate proceedings relating to the authorization, execution and delivery of the Notes to be issued by it at the Closing and this Agreement and (ii) the Company's organizational documents as then in effect.

4.4. Opinions of Counsel.

Such Purchaser shall have received opinions in form and substance satisfactory to such Purchaser, dated the date of the Closing (a) from the General Counsel of the Company, covering the matters set forth in Exhibit 4.4(a) and such other matters incident to the transactions contemplated hereby as such Purchaser or its counsel may reasonably request, and (b) from Morgan, Lewis & Bockius LLP, the Purchasers' special counsel in connection with such transactions, substantially in the form set forth in Exhibit 4.4(b) and covering such other matters incident to such transactions as such Purchaser may reasonably request.

4.5. Purchase Permitted By Applicable Law, Etc.

On the date of the Closing, such Purchaser's purchase of Notes shall (a) be permitted by the laws and regulations of each jurisdiction to which such Purchaser is subject, without recourse to provisions (such as section 1405(a)(8) of the New York Insurance Law) permitting limited investments by insurance companies without restriction as to the character of the particular

investment, (b) not violate any applicable law or regulation (including, without limitation, Regulation T, U or X of the Board of Governors of the Federal Reserve System) and (c) not subject such Purchaser to any tax, penalty or liability under or pursuant to any applicable law or regulation, which law or regulation was not in effect on the date hereof. If requested by such Purchaser, such Purchaser shall have received an Officer's Certificate certifying as to such matters of fact as such Purchaser may reasonably specify to enable such Purchaser to determine whether such purchase is so permitted.

4.6. Sale of Other Notes.

Contemporaneously with the Closing, the Company shall sell to each other Purchaser and each other Purchaser shall purchase the Notes to be purchased by it at the Closing as specified in Schedule A.

4.7. Payment of Special Counsel Fees.

Without limiting the provisions of Section 16.1, the Company shall have paid on or before the Closing, the reasonable fees, reasonable charges and reasonable disbursements of the Purchasers' special counsel referred to in Section 4.4 to the extent reflected in a statement of such counsel rendered to the Company at least one Business Day prior to the date of the Closing.

4.8. Private Placement Number.

A Private Placement Number issued by Standard & Poor's CUSIP Service Bureau (in cooperation with the SVO) shall have been obtained for the Notes to be issued at the Closing.

4.9. Changes in Corporate Structure.

Prior to the Closing Date, the Company shall not have changed its jurisdiction of organization, been a party to any merger or consolidation, or shall have succeeded to all or any substantial part of the liabilities of any other entity, at any time following the date of the most recent financial statements referred to in Section 5.5.

4.10. Funding Instructions.

At least three Business Days prior to the date of the Closing, each Purchaser shall have received written instructions signed by a Responsible Officer on letterhead of the Company including (a) the name and address of the transferee bank, (b) such transferee bank's ABA number/Swift Code/IBAN and (c) the account name and number into which the purchase price for such Purchaser's Notes is to be deposited.

4.11. Proceedings and Documents.

All corporate and other proceedings in connection with the transactions contemplated by this Agreement and all documents and instruments incident to such transactions shall be reasonably satisfactory to such Purchaser and its special counsel, and such Purchaser and its special counsel shall have received all such counterpart originals or certified or other copies of such documents as such Purchaser or such special counsel may reasonably request.

5. REPRESENTATIONS AND WARRANTIES OF THE COMPANY.

The Company represents and warrants to each Purchaser that:

5.1. Organization; Power and Authority.

The Company is a corporation duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation, and is duly qualified as a foreign corporation and is in good standing in each jurisdiction in which such qualification is required by law, other than those jurisdictions as to which the failure to be so qualified or in good standing would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. The Company has the corporate power and authority to own or hold under lease the properties it purports to own or hold under lease, to transact the business it transacts and proposes to transact, to execute and deliver this Agreement, the Notes, and to perform the provisions hereof and thereof.

5.2. Authorization, Etc.

This Agreement and the Notes have been duly authorized by all necessary corporate action on the part of the Company, and this Agreement constitutes, and upon execution and delivery thereof each Note will constitute, a legal, valid and binding obligation of the Company enforceable against the Company in accordance with its terms, except as such enforceability may be limited by (i) applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights generally and (ii) general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

5.3. Disclosure.

This Agreement, the financial statements listed in Schedule 5.5 and the documents, certificates or other writings delivered to the Purchasers by or on behalf of the Company prior to May 30, 2019 in connection with the transactions contemplated hereby and identified in Schedule 5.3 (this Agreement and such documents, certificates or other writings and such financial statements delivered to each Purchaser being referred to, collectively, as the "**Disclosure Documents**"), taken as a whole, do not contain any untrue statement of a material

fact or omit to state any material fact necessary to make the statements therein not misleading in light of the circumstances under which they were made. Except as disclosed in the Disclosure Documents, since December 31, 2018, there has been no change in the financial condition, operations, business or properties of the Company or any of its Subsidiaries except changes that individually or in the aggregate would not reasonably be expected to have a Material Adverse Effect. There is no fact known to the Company that could reasonably be expected to have a Material Adverse Effect that has not been set forth herein or in the Disclosure Documents. Notwithstanding anything to the contrary herein, the Company is not making any representation with respect to any projections included in the Disclosure Documents other than that such projections are based on the information that the Company believes to be accurate and were calculated in a manner the Company believes to be reasonable.

5.4. Organization and Ownership of Shares of Subsidiaries; Affiliates.

(a) Schedule 5.4 contains (except as noted therein) complete and correct lists of (i) the Company's Subsidiaries, showing, as to each Subsidiary, the correct name thereof, the jurisdiction of its organization, and the percentage of shares of each class of its capital stock or similar equity interests outstanding owned by the Company and its Subsidiaries, (ii) the Company's Affiliates, other than Subsidiaries, and (iii) the Company's directors and senior officers.

(b) All of the outstanding shares of capital stock or similar equity interests of each Subsidiary shown in Schedule 5.4 as being owned by the Company and its Subsidiaries have been validly issued, are fully paid and nonassessable and are owned by the Company or another Subsidiary free and clear of any Lien (other than Liens permitted by Section 10.3).

(c) Each Subsidiary identified in Schedule 5.4 is a corporation or other legal entity duly organized, validly existing and, where applicable, in good standing under the laws of its jurisdiction of organization, and is duly qualified as a foreign corporation or other legal entity and, where applicable, is in good standing in each jurisdiction in which such qualification is required by law, other than those jurisdictions as to which the failure to be so qualified or in good standing would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. Except as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, each such Subsidiary has the corporate or other power and authority to own or hold under lease the properties it purports to own or hold under lease and to transact the business it transacts and proposes to transact.

(d) No Subsidiary is a party to, or otherwise subject to, any legal restriction or any agreement (other than this Agreement, the agreements listed on Schedule 5.4 and customary limitations imposed by corporate law or similar statutes) restricting the ability of such Subsidiary to pay dividends out of profits or make any other similar distributions of profits to the Company or any of its Subsidiaries that owns outstanding shares of capital stock or similar equity interests of such Subsidiary.

5.5. Financial Statements.

The Company has delivered to each Purchaser copies of the consolidated financial statements of the Company and its Subsidiaries listed on Schedule 5.5. All of said financial statements (including in each case the related schedules and notes) fairly present in all material respects the consolidated financial position of the Company and its Subsidiaries as of the respective dates specified in such Schedule and the consolidated results of their operations and cash flows for the respective periods so specified and have been prepared in accordance with GAAP consistently applied throughout the periods involved except as set forth in the notes thereto (subject, in the case of any interim financial statements, to normal year-end adjustments). The Company and its Subsidiaries do not have any Material liabilities that are not disclosed in the Disclosure Documents.

5.6. Compliance with Laws, Other Instruments, Etc.

The execution, delivery and performance by the Company of this Agreement and the Notes will not (a) contravene, result in any breach of, or constitute a default under, or result in the creation of any Lien in respect of any property of the Company or any Subsidiary under, any indenture, mortgage, deed of trust, loan, purchase or credit agreement, lease, corporate charter, memorandum of association, articles of association, or by-laws, or any other agreement or instrument to which the Company or any Subsidiary is bound or by which the Company or any Subsidiary or any of their respective properties may be bound or affected, (b) conflict with or result in a breach of any of the terms, conditions or provisions of any order, judgment, decree, or ruling of any court, arbitrator or Governmental Authority applicable to the Company or any Subsidiary, or (c) violate any provision of any statute or other rule or regulation of any Governmental Authority applicable to the Company or any Subsidiary, except for such contraventions, breaches, defaults, conflicts, violations or Liens as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

5.7. Governmental Authorizations, Etc.

No consent, approval or authorization of, or registration, filing or declaration with, any Governmental Authority is required in connection with the execution, delivery or performance by the Company of this Agreement and the Notes, including any thereof required in connection with the obtaining of Yen to make payments under this Agreement or the Notes and the payment of such Yen to Persons resident in the United States of America.

5.8. Litigation; Observance of Agreements, Statutes and Orders.

(a) There are no actions, suits, investigations or proceedings pending or, to the knowledge of the Company, threatened against or affecting the Company or any Subsidiary or any property of the Company or any Subsidiary in any court or before any

arbitrator of any kind or before or by any Governmental Authority that, individually or in the aggregate, would reasonably be expected to have a Material Adverse Effect.

(b) Neither the Company nor any Subsidiary is in default under any term of any agreement or instrument to which it is a party or by which it is bound, or any order, judgment, decree or ruling of any court, arbitrator or Governmental Authority or is in violation of any applicable law, ordinance, rule or regulation of any Governmental Authority (including, without limitation, Environmental Laws, the USA PATRIOT Act or any of the other laws and regulations that are referred to in Section 5.16), which default or violation, individually or in the aggregate, would reasonably be expected to have a Material Adverse Effect.

5.9. Taxes.

The Company and its Subsidiaries have filed all tax returns that are required to have been filed in any jurisdiction, and have paid all taxes shown to be due and payable on such returns and all other taxes and assessments levied upon them or their properties, assets, income or franchises, to the extent such taxes and assessments have become due and payable and before they have become delinquent, except in each case for any taxes and assessments (a) the amount of which is not individually or in the aggregate Material or (b) the amount, applicability or validity of which is currently being contested in good faith by appropriate proceedings and with respect to which the Company or a Subsidiary, as the case may be, has established adequate reserves in accordance with GAAP. The Company knows of no basis for any other tax or assessment that would reasonably be expected to have a Material Adverse Effect. The charges, accruals and reserves on the books of the Company and its Subsidiaries in respect of federal, state or other taxes for all fiscal periods are adequate. As of the date of this Agreement, the U.S. federal income tax liabilities of the Company and its Subsidiaries have been finally determined (whether by reason of completed audits or the statute of limitations having run) for all fiscal years up to and including the fiscal year ended 2011.

5.10. Title to Property; Leases.

The Company and its Subsidiaries have good and sufficient title to their respective properties which the Company and its Subsidiaries own or purport to own, in each case free and clear of Liens prohibited by this Agreement, except where the failure to have such title would not reasonably be expected to have a Material Adverse Effect. All Material leases of the Company and its Subsidiaries are valid and subsisting and are in full force and effect in all material respects.

5.11. Licenses, Permits, Etc.

(a) The Company and its Subsidiaries own or possess all licenses, permits, franchises, authorizations, patents, copyrights, proprietary software, service marks,

trademarks and trade names, or rights thereto, without known conflict with the rights of others, except to the extent that the failure to own or possess the same, or the existence of any such conflict, would not reasonably be expected to have a Material Adverse Effect.

(b) No product of the Company or any of its Subsidiaries infringes in any respect any license, permit, franchise, authorization, patent, copyright, proprietary software, service mark, trademark, trade name or other right owned by any other Person, except where any such infringement would not reasonably be expected to have a Material Adverse Effect.

Neither the Company nor any ERISA Affiliate has incurred any liability pursuant to Title I or IV of ERISA or the penalty or excise tax provisions of the Code relating to employee benefit plans (as defined in section 3 of ERISA), and no event, transaction or condition has occurred or exists that could, individually or in the aggregate, reasonably be expected to result in the incurrence of any such liability by the Company or any ERISA Affiliate, or in the imposition of any Lien on any of the rights, properties or assets of the Company or any ERISA Affiliate, in either case pursuant to Title I or IV of ERISA or to section 430(k) of the Code or to any such penalty or excise tax provisions under the Code or federal law or section 4068 of ERISA or by the granting of a security interest in connection with the amendment of a Plan, other than such liabilities or Liens as would not be individually or in the aggregate Material.

Each Purchaser resident in Japan or who was solicited to subscribe for the Notes in Japan or subscribed for the Notes in Japan (a “**Japan Purchaser**”) hereby acknowledges and confirms that:

The Company shall permit the representatives of each Purchaser (prior to the Closing) and each holder of Notes that is an Institutional Investor:

(a) *No Default* — if no Default or Event of Default then exists, at the expense of such Purchaser or such holder and upon reasonable prior notice to the Company, to visit the principal executive office of the Company, to discuss the affairs, finances and accounts of the Company and its Subsidiaries with the Company's officers, and (with the consent of the Company, which consent will not be unreasonably withheld) its independent public accountants, and (with the consent of the Company, which consent will not be unreasonably withheld) to visit the other offices and properties of the Company and each Subsidiary, all at such reasonable times and as often as may be reasonably requested in writing; and

(b) *Default* — if a Default or Event of Default then exists, at the expense of the Company, to visit and inspect any of the offices or properties of the Company or any Subsidiary, to examine all their respective books of account, records, reports and other papers, to make copies and extracts therefrom, and to discuss their respective affairs, finances and accounts with their respective officers and independent public accountants (and by this provision the Company authorizes said accountants to discuss the affairs, finances and accounts of the Company and its Subsidiaries), all at such times and as often as may be requested.

For the avoidance of doubt, it is understood that Section 21 applies to Confidential Information obtained in connection with the exercise by any holder of Notes of the rights set forth in this Section 7.3.

7.4. Electronic Delivery.

Financial statements, opinions of independent certified public accountants, other information and Officer's Certificates that are required to be delivered by the Company pursuant to Sections 7.1(a), (b) or (d) and Section 7.2 shall be deemed to have been delivered upon the satisfaction of any of the following requirements with respect thereto:

(a) such financial statements satisfying the requirements of Section 7.1(a) or Section 7.1(b) and related Officer's Certificate satisfying the requirements of Section 7.2 are delivered to each Purchaser (prior to the Closing) or each holder of Notes by e-mail at the e-mail address set forth in such holder's Purchaser Schedule or as communicated from time to time in a separate writing delivered to the Company;

(b) the Company shall have timely filed such Form 10-Q or Form 10-K, satisfying the requirements of Section 7.1(a) or Section 7.1(b), as the case may be, with the SEC on EDGAR and shall have made such form and the related Officer's Certificate satisfying the requirements of Section 7.2 available on its website on the internet, which is located at <http://www.dentsplysirona.com> as of the date of this Agreement;

(c) such financial statements satisfying the requirements of Section 7.1(a) or Section 7.1(b) and related Officer's Certificate satisfying the requirements of Section 7.2 are timely posted by or on behalf of the Company on IntraLinks or on any other similar website to which each holder of Notes has free access; or

(d) the Company shall have filed any of the items referred to in Section 7.1(d) with the SEC on EDGAR and shall have made such items available on its website on the internet or on IntraLinks or on any other similar website to which each holder of Notes has free access;

provided however, that in the case of clauses (b) or (c), the Company shall have given each holder of Notes prior or concurrent written notice, which may be by e-mail or in accordance with Section 19, of such posting or filing in connection with each delivery, *provided further*, that upon request of any holder to receive paper copies of such forms, financial statements and Officer's Certificates or to receive them by e-mail, the Company will promptly e-mail them or deliver such paper copies, as the case may be, to such holder.

8. PAYMENT OF THE NOTES.

8.1. Required Prepayments.

As provided therein, the entire unpaid principal balance of each Note shall be due and payable on the Maturity Date thereof.

8.2. Optional Prepayments with Make-Whole Amount.

The Company may, at its option, upon notice as provided below, prepay at any time all, or from time to time any part of, the Notes that are Swapped Notes or the Notes that are Non-Swapped Notes, in an amount not less than 10% of the original aggregate principal amount of such Notes in the case of a partial prepayment, at 100% of the principal amount so prepaid, together with interest accrued thereon to, but not including, the date of such prepayment, plus the applicable Make-Whole Amount determined for the prepayment date with respect to such principal amount, plus any Net Loss with respect to any Swapped Note and, subject to Section 8.11, less any Net Gain with respect to any Swapped Note. The Company will give each holder of Notes written notice of each optional prepayment under this Section 8.2 not less than 30 days and not more than 60 days prior to the date fixed for such prepayment. Each such notice shall specify such date (which shall be a Business Day), the aggregate principal amount of the Notes to be prepaid on such date, the principal amount of each Note held by such holder to be prepaid (determined in accordance with Section 8.5), and the interest to be paid on the prepayment date with respect to such principal amount being prepaid, and shall be accompanied by a certificate of a Senior Financial Officer as to the estimated Make-Whole Amount due in connection with such prepayment (calculated as if the date of such notice were the date of the prepayment), setting forth the details of such computation. Two Business Days prior to such prepayment, the Company shall deliver to each holder of Notes a certificate of a Senior Financial Officer specifying the calculation of such Make-Whole Amount as of the specified prepayment date.

8.3. Prepayment of Notes Upon Change of Control.

(a) *Notice of Change of Control.* The Company will, within 5 Business Days after any Senior Financial Officer has knowledge of the occurrence of any Change of Control, give written notice of such Change of Control to each holder of Notes. If a Change of Control has occurred, such notice shall contain and constitute an offer by the Company to prepay Notes as described in subparagraph (c) of this Section 8.3 and shall be accompanied by the certificate described in subparagraph (g) of this Section 8.3.

(b) [Reserved.]

(c) *Offer to Prepay Notes.* The offer to prepay Notes contemplated by subparagraph (a) of this Section 8.3 shall be an offer to prepay, in accordance with and subject to this Section 8.3, all, but not less than all, the Notes held by each holder of Notes (in this case only, “holder of Notes” in respect of any Note registered in the name of a nominee for a disclosed beneficial owner shall mean such beneficial owner) on a date specified in such offer (the “**Proposed Prepayment Date**”), which date shall be not less than thirty (30) days and not more than one hundred twenty (120) days after the date of

such offer (if the Proposed Prepayment Date shall not be specified in such offer, the Proposed Prepayment Date shall be the first Business Day after the 60th day after the date of such offer).

(d) *Acceptance/Rejection.* A holder of Notes may accept the offer to prepay made pursuant to this Section 8.3 by causing a notice of such acceptance to be delivered to the Company not later than fifteen (15) days after receipt by such holder of the most recent offer of prepayment. A failure by a holder of Notes to respond to an offer to prepay made pursuant to this Section 8.3 shall be deemed to constitute a rejection of such offer by such holder of Notes.

(e) *Prepayment.* Prepayment of the Notes to be prepaid pursuant to this Section 8.3 shall be at 100% of the principal amount of such Notes, together with interest on such Notes accrued to, but not including, the date of prepayment, plus any Net Loss with respect to any Swapped Note and, subject to Section 8.11, less any Net Gain with respect to any Swapped Note, but without any Make-Whole Amount or penalty or premium of any kind. The prepayment shall be made on the Proposed Prepayment Date except as provided in subparagraph (f) of this Section 8.3.

(f) *Deferral Pending Change of Control.* The obligation of the Company to prepay Notes pursuant to the offers required by subparagraph (c) and accepted in accordance with subparagraph (d) of this Section 8.3 is subject to the occurrence of the Change of Control in respect of which such offers and acceptances shall have been made. In the event that such Change of Control has not occurred on the Proposed Prepayment Date in respect thereof, the prepayment shall be deferred until, and shall be made on, the date on which such Change of Control occurs; provided, however, that if the Change of Control has not occurred within 45 days after the original Proposed Prepayment Date, any holder of Notes may withdraw its acceptance and the Company shall again comply with this Section 8.3 as to such Change of Control with respect to such withdrawing holder. The Company shall keep each holder of Notes reasonably and timely informed of (i) any such deferral of the date of prepayment, (ii) the date on which such Change of Control and the prepayment are expected to occur, and (iii) any determination by the Company that efforts to effect such Change of Control have ceased or been abandoned (in which case the offers and acceptances made pursuant to this Section 8.3 in respect of such Change of Control shall be deemed rescinded).

(g) *Officer's Certificate.* Each offer to prepay the Notes pursuant to this Section 8.3 shall be accompanied by a certificate, executed by a Senior Financial Officer of the Company and dated the date of such offer, specifying: (i) the Proposed Prepayment Date; (ii) that such offer is made pursuant to this Section 8.3; (iii) the principal amount of each Note offered to be prepaid; (iv) the interest that would be due on each Note offered to be prepaid, accrued to, but not including, the Proposed Prepayment Date (including the per diem accrual on interest for each day after the Proposed Prepayment Date, in the event of a deferral of the prepayment date pursuant to Section 8.3(f) above); (v) that the

conditions to the giving of such notices in this Section 8.3 have been fulfilled; and (vi) in reasonable detail, the nature and date or proposed date of the Change of Control.

8.4. Prepayment of Notes Upon Sale of Assets.

The Company may prepay the Notes in accordance with Section 10.4.

8.5. Allocation of Partial Prepayments.

In the case of any partial prepayment of Notes pursuant to Section 8.2, the principal amount of Notes to be prepaid shall be allocated among all of the Notes that are Swapped Notes or the Notes that are Non-Swapped Notes, as applicable, being prepaid at the time outstanding in proportion, as nearly as practicable, to the respective unpaid principal amounts thereof not theretofore called for prepayment.

8.6. Maturity; Surrender, Etc.

In the case of each prepayment of Notes pursuant to this Section 8, the principal amount of each Note to be prepaid shall mature and become due and payable on the date fixed for such prepayment (which shall be a Business Day), together with interest on such principal amount accrued to, but not including, such date, plus any Net Loss with respect to any Swapped Note and, subject to Section 8.11, less any Net Gain with respect to any Swapped Note and, in the case of any prepayment pursuant to Section 8.2, the applicable Make-Whole Amount, if any. From and after such date, unless the Company shall fail to pay such principal amount when so due and payable, together with the interest and Make-Whole Amount, if any, plus any Net Loss with respect to any Swapped Note and, subject to Section 8.11, less any Net Gain with respect to any Swapped Note, as aforesaid, interest on such principal amount shall cease to accrue. Any Note paid or prepaid in full shall be surrendered to the Company and cancelled and shall not be reissued, and no Note shall be issued in lieu of any prepaid principal amount of any Note.

8.7. Purchase of Notes.

The Company will not and will not permit any controlled Affiliate to purchase, redeem, prepay or otherwise acquire, directly or indirectly, any of the outstanding Notes except (a) upon the payment or prepayment of the Notes in accordance with the terms of this Agreement and the Notes or (b) pursuant to a written offer to purchase any outstanding Notes made by the Company or an Affiliate pro rata to the holders of all Notes at the time outstanding upon the same terms and conditions. The Company will promptly cancel all Notes acquired by it or any controlled Affiliate, pursuant to any payment, prepayment or purchase of such Notes pursuant to any provision of this Agreement and no Notes may be issued in substitution or exchange for any such Notes.

8.8. Prepayment in Connection with a Noteholder Sanctions Event.

(a) Upon the Company's receipt of notice from any Affected Noteholder that a Noteholder Sanctions Event has occurred (which notice shall refer specifically to this Section 8.8 and describe in reasonable detail such Noteholder Sanctions Event), the Company shall promptly, and in any event within 10 Business Days, make an offer (the "**Sanctions Prepayment Offer**") to prepay the entire unpaid principal amount of Notes issued by the Company and held by such Affected Noteholder (the "**Affected Notes**"), together with interest thereon to, but not including, the prepayment date selected by the Company with respect to each Affected Note, plus any Net Loss with respect to any Affected Note that is a Swapped Note and, subject to Section 8.11, less any Net Gain with respect to any such Swapped Note, but without payment of any Make-Whole Amount with respect thereto, which prepayment shall be on a Business Day not less than 30 days and not more than 60 days after the date of the Sanctions Prepayment Offer (the "**Sanctions Prepayment Date**"). Such Sanctions Prepayment Offer shall provide that such Affected Noteholder notify the Company in writing by a stated date (the "**Sanctions Prepayment Response Date**"), which date is not later than 10 Business Days prior to the stated Sanctions Prepayment Date, of its acceptance or rejection of such prepayment offer. If such Affected Noteholder does not notify the Company as provided above, then the holder shall be deemed to have accepted such offer.

(b) Subject to the provisions of subparagraphs (c) and (d) of this Section 8.8, the Company shall prepay on the Sanctions Prepayment Date the entire unpaid principal amount of the Affected Notes held by such Affected Noteholder who has accepted (or has been deemed to have accepted) such prepayment offer (in accordance with subparagraph (a)), together with interest thereon to, but not including, the Sanctions Prepayment Date with respect to each such Affected Note, but without payment of any Make-Whole Amount with respect thereto.

(c) If a Noteholder Sanctions Event has occurred but the Company and/or its Controlled Entities have taken such action(s) in relation to their activities so as to remedy such Noteholder Sanctions Event (with the effect that a Noteholder Sanctions Event no longer exists, as reasonably determined by such Affected Noteholder) prior to the Sanctions Prepayment Date, then the Company shall no longer be obliged or permitted to prepay such Affected Notes in relation to such Noteholder Sanctions Event. If the Company and/or its Controlled Entities shall undertake any actions to remedy any such Noteholder Sanctions Event, the Company shall keep the holders of Notes reasonably and timely informed of such actions and the results thereof.

(d) If any Affected Noteholder that has given written notice to the Company of its acceptance of (or has been deemed to have accepted) the Company's prepayment offer in accordance with subparagraph (a) also gives notice to the Company prior to the relevant Sanctions Prepayment Date that it has determined (in its sole discretion) that it requires clearance from any Governmental Authority in order to receive a prepayment pursuant to this Section 8.8, the principal amount of each Affected Note issued by the

Company and held by such Affected Noteholder, together with interest accrued thereon to, but not including, the date of prepayment, shall become due and payable on the later to occur of (but in no event later than the Maturity Date of the relevant Note) (i) such Sanctions Prepayment Date and (ii) the date that is 10 Business Days after such Affected Noteholder gives notice to the Company that it is entitled to receive a prepayment pursuant to this Section 8.8 (which may include payment to an escrow account designated by such Affected Noteholder to be held in escrow for the benefit of such Affected Noteholder until such Affected Noteholder obtains such clearance from such Governmental Authority), and in any event, any such delay in accordance with the foregoing clause (ii) shall not be deemed to give rise to any Default or Event of Default.

(e) Promptly, and in any event within 5 Business Days, after the Company's receipt of notice from any Affected Noteholder that a Noteholder Sanctions Event shall have occurred with respect to such Affected Noteholder, the Company shall forward a copy of such notice to each other holder of Notes.

(f) The Company shall promptly, and in any event within 10 Business Days, give written notice to the holders of Notes after the Company or any Controlled Entity having been notified that (i) its name appears or is reasonably likely in the future to appear on a State Sanctions List or (ii) it is in violation of, or is the target of, any U.S. Economic Sanctions, in each case which notice shall describe the facts and circumstances thereof and set forth the action, if any, that the Company or a Controlled Entity proposes to take with respect thereto.

(g) The foregoing provisions of this Section 8.8 shall be in addition to any rights or remedies available to any holder of Notes that may arise under this Agreement as a result of the occurrence of a Noteholder Sanctions Event; *provided*, that, if the Notes shall have been declared due and payable pursuant to Section 12.1 as a result of the events, conditions or actions of either the Company or any of its Controlled Entities that gave rise to a Noteholder Sanctions Event, the remedies set forth in Section 12 shall control.

8.9. [Reserved.]

8.10. Make-Whole Amount.

(a) Make-Whole Amount with respect to Non-Swapped Notes. The term "**Make-Whole Amount**" means, with respect to any Non-Swapped Note, an amount equal to the excess, if any, of the Discounted Value of the Remaining Scheduled Payments with respect to the Called Principal of such Non-Swapped Note over the amount of such Called Principal, provided that the Make-Whole Amount may in no event be less than zero. For the purposes of determining the Make-Whole Amount with respect to any Non-Swapped Note, the following terms have the following meanings:

“Called Principal” means, with respect to any Non-Swapped Note, the principal of such Non-Swapped Note that is to be prepaid pursuant to Section 8.2 or has become or is declared to be immediately due and payable pursuant to Section 12.1, as the context requires.

“Discounted Value” means, with respect to the Called Principal of any Non-Swapped Note, the amount obtained by discounting all Remaining Scheduled Payments with respect to such Called Principal from their respective scheduled due dates to the Settlement Date with respect to such Called Principal, in accordance with accepted financial practice and at a discount factor (applied on the same periodic basis as that on which interest on such Non-Swapped Note is payable) equal to the Reinvestment Yield with respect to such Called Principal.

“Implied Rate Yen Yield” means, with respect to the Called Principal of any Non-Swapped Note, the yield to maturity implied by (i) the ask-side yields reported as of 10:00 a.m. (New York City time) on the second Business Day preceding the Settlement Date with respect to such Called Principal, on the display designated as Bloomberg Financial Markets News Screen BTMM-JN (or such other display as may replace such Bloomberg Financial Markets News Screen) for the most recently issued actively traded Japanese government bonds (**“Reported”**) having a maturity equal to the Remaining Average Life of such Called Principal as of such Settlement Date, or (ii) if such yields are not Reported as of such time or the yields reported are not ascertainable, the average of the ask-side yields for the most recently issued actively traded Japanese government bonds having a maturity equal to the Remaining Average Life of such Called Principal as of such Settlement Date, as determined by Recognized Yen Market Makers. Such implied yield to maturity will be determined, if necessary, by (a) converting Japanese government bond quotations to bond equivalent yields in accordance with accepted financial practice and (b) interpolating linearly between the ask-side yields Reported for the applicable most recently issued actively traded Japanese government bonds with the maturities (1) closest to and greater than the Remaining Average Life and (2) closest to and less than the Remaining Average Life. The Implied Rate Yen Yield shall be rounded to the number of decimal places as appears in the interest rate of the applicable Non-Swapped Note.

“Non-Swapped Note” means any Note other than a Swapped Note.

“Recognized Yen Market Makers” means internationally recognized dealers of Japanese government bonds selected by the holders of at least a majority in principal amount of the Notes at the time outstanding (exclusive of Notes then owned by the Company or any of its Affiliates and any Notes held by parties who are contractually required to abstain from voting with respect to matters affecting the holders of the Notes).

“Reinvestment Yield” means, with respect to the Called Principal of any Non-Swapped Note, the sum of (x) 0.50% plus (y) the Implied Rate Yen Yield. The Reinvestment Yield shall be rounded to the number of decimal places as appears in the interest rate of the applicable Non-Swapped Note.

“Remaining Average Life” means, with respect to any Called Principal, the number of years obtained by dividing (i) such Called Principal into (ii) the sum of the products obtained by multiplying (a) the principal component of each Remaining Scheduled Payment with respect to such Called Principal by (b) the number of years, computed on the basis of a 360-day year comprised of twelve 30-day months and calculated to two decimal places, that will elapse between the Settlement Date with respect to such Called Principal and the scheduled due date of such Remaining Scheduled Payment.

“Remaining Scheduled Payments” means, with respect to the Called Principal of any Non-Swapped Note, all payments of such Called Principal and interest thereon that would be due after the Settlement Date with respect to such Called Principal if no payment of such Called Principal were made prior to its scheduled due date, *provided* that if such Settlement Date is not a date on which interest payments are due to be made under such Non-Swapped Note, then the amount of the next succeeding scheduled interest payment will be reduced by the amount of interest accrued to such Settlement Date and required to be paid on such Settlement Date pursuant to Section 8.2 or Section 12.1.

“Settlement Date” means, with respect to the Called Principal of any Non-Swapped Note, the date on which such Called Principal is to be prepaid pursuant to Section 8.2 or has become or is declared to be immediately due and payable pursuant to Section 12.1, as the context requires.

(b) Make-Whole Amount with respect to Swapped Notes. The terms **“Make-Whole Amount”** means, with respect to any Swapped Note, an amount equal to the excess, if any, of the Swapped Note Discounted Value with respect to the Swapped Note Called Notional Amount related to such Swapped Note over such Swapped Note Called Notional Amount, provided that the Make-Whole Amount may in no event be less than zero. All payments of Make-Whole Amount in respect of any Swapped Note shall be made in Dollars. For the purposes of determining the Make-Whole Amount, Net Loss, Net Gain or Swap Breakage Amount with respect to any Swapped Note, the following terms have the following meanings:

“New Swap Agreement” means any cross-currency swap agreement pursuant to which the holder of a Swapped Note is to receive payment in Dollars and which is entered into in full or partial replacement of an Original Swap Agreement as a result of such Original Swap Agreement having terminated for any reason other than a non-scheduled prepayment or a repayment of such Swapped Note prior to its scheduled maturity. The terms of a New Swap

Agreement with respect to any Swapped Note do not have to be identical to those of the Original Swap Agreement with respect to such Swapped Note.

“Original Swap Agreement” means, with respect to any Swapped Note, (x) a cross-currency swap agreement and annexes and schedules thereto (an **“Initial Swap Agreement”**) that is entered into on an arm's length basis by the original purchaser of such Swapped Note (or any affiliate thereof) in connection with the execution of this Agreement and the purchase of such Swapped Note and relates to the scheduled payments by the Company of interest and principal on such Swapped Note, under which the holder of such Swapped Note is to receive payments from the counterparty thereunder in Dollars and which is more particularly described on Schedule 8.10 or in a side letter delivered by the original purchaser of such Swapped Note to the Company on or prior to the Closing Date, (y) any Initial Swap Agreement that has been assumed by or novated to (without any waiver, amendment, deletion or replacement of any material economic term or provision thereof) a holder of a Swapped Note in connection with a transfer of such Swapped Note and (z) any Replacement Swap Agreement; and a **“Replacement Swap Agreement”** means, with respect to any Swapped Note, a cross-currency swap agreement and annexes and schedules thereto with payment terms and provisions (other than a reduction in notional amount, if applicable) identical to those of the Initial Swap Agreement with respect to such Swapped Note that is entered into on an arm's length basis by the holder of such Swapped Note in full or partial replacement (by amendment, modification or otherwise) of such Initial Swap Agreement (or any subsequent Replacement Swap Agreement) in a notional amount not exceeding the outstanding principal amount of such Swapped Note following a non-scheduled prepayment or a repayment of such Swapped Note prior to its scheduled maturity. Any holder of a Swapped Note that enters into, assumes or terminates an Initial Swap Agreement or Replacement Swap Agreement shall within a reasonable period of time thereafter deliver to the Company a copy of the confirmation, assumption, novation or termination related thereto.

“Swap Note Agreement” means, with respect to any Swapped Note, an Original Swap Agreement or a New Swap Agreement, as the case may be.

“Swapped Note” means any Note that as of the date of the Closing for such Note is subject to a Swap Note Agreement. A **“Swapped Note”** shall no longer be deemed a **“Swapped Note”** at such time as the related Swap Note Agreement ceases to be in force in respect thereof.

“Swapped Note Called Accrued Interest Amount” means, with respect to a Swapped Note, the accrued interest of such Swapped Note to the Swapped Note Settlement Date that is to be prepaid or has become immediately due and payable, as the context requires.

“Swapped Note Called Notional Accrued Interest Amount” means, with respect to any Swapped Note Called Notional Amount, the payment due to the holder of the related Swapped Note under the terms of the Swap Note Agreement to which such holder is a party attributable to and in exchange for the Swapped Note Called Accrued Interest Amount.

“Swapped Note Called Notional Amount” means, with respect to any Swapped Note Called Principal of any Swapped Note, the payment in Dollars due to the holder of such Swapped Note under the terms of the Swap Note Agreement to which such holder is a party, attributable to and in exchange for such Swapped Note Called Principal and assuming that such Swapped Note Called Principal is paid on its scheduled maturity date, provided that if such Swap Note Agreement is not an Initial Swap Agreement, then the “Swapped Note Called Notional Amount” in respect of such Swapped Note shall not exceed the amount in Dollars which would have been due to the holder of such Swapped Note under the terms of the Initial Swap Agreement to which such holder was a party (or if such holder was never party to an Initial Swap Agreement, then the last Initial Swap Agreement to which the most recent predecessor in interest to such holder as a holder of such Swapped Note was a party), attributable to and in exchange for such Swapped Note Called Principal and assuming that such Swapped Note Called Principal is paid on its scheduled maturity date.

“Swapped Note Called Principal” means, with respect to any Swapped Note, the principal of such Swapped Note that is to be prepaid pursuant to Section 8 or has become or is declared to be immediately due and payable pursuant to Section 12.1, as the context requires.

“Swapped Note Discounted Value” means, with respect to the Swapped Note Called Notional Amount of any Swapped Note that is to be prepaid pursuant to Section 8 or has become or is declared to be immediately due and payable pursuant to Section 12.1, as the context requires, the amount obtained by discounting all Swapped Note Remaining Scheduled Swap Payments corresponding to the Swapped Note Called Notional Amount of such Swapped Note from their respective scheduled due dates to the Swapped Note Settlement Date with respect to such Swapped Note Called Notional Amount, in accordance with accepted financial practice and at a discount factor (applied on the same periodic basis as that on which interest on such Swapped Note is payable) equal to the Swapped Note Reinvestment Yield with respect to such Swapped Note Called Notional Amount.

“Swapped Note Reinvestment Yield” means, with respect to the Swapped Note Called Notional Amount of any Swapped Note, the sum of (x) 0.50% plus (y) the yield to maturity implied by the “Ask Yield(s)” reported as of 10.00 a.m. (New York City time) on the second Business Day preceding the Swapped Note Settlement Date with respect to such Swapped Note Called

Notional Amount, on the display designated as “Page PX1” (or such other display as may replace Page PX1) on Bloomberg Financial Markets for the most recently issued actively traded on-the-run U.S. Treasury securities (“**Reported**”) having a maturity equal to the Swapped Note Remaining Average Life of such Swapped Note Called Notional Amount as of such Swapped Note Settlement Date. If there are no such U.S. Treasury securities Reported having a maturity equal to such Swapped Note Remaining Average Life, then such implied yield to maturity will be determined by (a) converting U.S. Treasury bill quotations to bond equivalent yields in accordance with accepted financial practice and (b) interpolating linearly between the “Ask Yields” Reported for the applicable most recently issued actively traded on-the-run U.S. Treasury securities with the maturities (1) closest to and greater than such Swapped Note Remaining Average Life and (2) closest to and less than such Swapped Note Remaining Average Life.

If such yields are not Reported or the yields Reported as of such time are not ascertainable (including by way of interpolation), then “**Swapped Note Reinvestment Yield**” means, with respect to the Swapped Note Called Notional Amount of any Swapped Note, the sum of (x) 0.50% plus (y) the yield to maturity implied by the U.S. Treasury constant maturity yields reported for the latest day for which such yields have been so reported as of the second Business Day preceding the Swapped Note Settlement Date with respect to such Swapped Note Called Notional Amount, in Federal Reserve Statistical Release H.15 (or any comparable successor publication) for the U.S. Treasury constant maturity having a term equal to the Swapped Note Remaining Average Life of such Swapped Note Called Notional Amount as of such Swapped Note Settlement Date. If there is no such U.S. Treasury constant maturity having a term equal to such Swapped Note Remaining Average Life, such implied yield to maturity will be determined by interpolating linearly between (1) the U.S. Treasury constant maturity so reported with the term closest to and greater than such Swapped Note Remaining Average Life and (2) the U.S. Treasury constant maturity so reported with the term closest to and less than such Swapped Note Remaining Average Life. The Swapped Note Reinvestment Yield shall be rounded to the number of decimal places as appears in the interest rate of the applicable Swapped Note.

“**Swapped Note Remaining Average Life**” means, with respect to any Swapped Note Called Notional Amount, the number of years (calculated to the nearest one-twelfth year) obtained by dividing (a) such Swapped Note Called Notional Amount into (b) the sum of the products obtained by multiplying (i) the principal component of each Swapped Note Remaining Scheduled Swap Payment with respect to such Swapped Note Called Notional Amount by (ii) the number of years, computed on the basis of a 360-day year comprised of twelve 30-day months and calculated to two decimal places, that will elapse between the Swapped Note Settlement Date with respect to such Swapped Note Called Notional Amount and the scheduled due date of such Swapped Note Remaining Scheduled Swap Payment.

“Swapped Note Remaining Scheduled Swap Payments” means, with respect to the Swapped Note Called Notional Amount relating to any Swapped Note, the payments due to the holder of such Swapped Note in Dollars under the terms of the Swap Note Agreement to which such holder is a party which correspond to all payments of the Swapped Note Called Principal of such Swapped Note corresponding to such Swapped Note Called Notional Amount and interest on such Swapped Note Called Principal (other than that portion of the payment due under such Swap Note Agreement corresponding to the interest accrued on the Swapped Note Called Principal to the Swapped Note Settlement Date) that would be due after the Swapped Note Settlement Date with respect to such Swapped Note Called Notional Amount assuming that no payment of such Swapped Note Called Principal is made prior to its originally scheduled payment date, provided that if such Swapped Note Settlement Date is not a date on which an interest payment is due to be made under the terms of such Swapped Note, then the amount of the next succeeding scheduled interest payment will be reduced by the amount of interest accrued to such Swapped Note Settlement Date and required to be paid on such Swapped Note Settlement Date pursuant to Section 8 or Section 12.1.

“Swapped Note Settlement Date” means, with respect to the Swapped Note Called Notional Amount of any Swapped Note Called Principal of any Swapped Note, the date on which such Swapped Note Called Principal is to be prepaid pursuant to Section 8 or has become or is declared to be immediately due and payable pursuant to Section 12.1, as the context requires.

8.11. Swap Breakage.

If any Swapped Note is prepaid pursuant to Section 8.2, Section 8.3, Section 8.4 or Section 8.8 or purchased pursuant to Section 8.7, or has become or is declared to be immediately due and payable pursuant to Section 12.1, then (a) any resulting Net Loss in connection therewith shall be reimbursed to the holder of such Swapped Note by the Company in Dollars upon any such prepayment or repayment of such Swapped Note and (b) any resulting Net Gain in connection therewith shall be deducted (i) from the Make-Whole Amount, if any, or any principal or interest to be paid to the holder of such Swapped Note by the Company upon any such prepayment of such Swapped Note pursuant to Section 8.2, Section 8.3, Section 8.4 or Section 8.8 or purchased pursuant to Section 8.7 or (ii) from the Make-Whole Amount, if any, to be paid to the holder of such Swapped Note by the Company upon any such repayment of such Swapped Note pursuant to Section 12.1, provided that the Make-Whole Amount in respect of such Swapped Note may in no event be less than zero. Each holder of a Swapped Note shall be responsible for calculating its own Net Loss or Net Gain, as the case may be, and Swap Breakage Amount in Dollars upon the prepayment or repayment of all or any portion of such Swapped Note, and such calculations as reported to the Company in reasonable detail shall be binding on the Company absent demonstrable error.

As used in this Agreement with respect to any Swapped Note that is prepaid or accelerated: “**Net Loss**” means the amount, if any, by which the total of the Swapped Note Called Notional Amount and the Swapped Note Called Notional Accrued Interest Amount exceeds the sum of (x) the total of the Swapped Note Called Principal and the Swapped Note Called Accrued Interest Amount plus (or minus in the case of an amount paid) (y) the Swap Breakage Amount received (or paid) by the holder of such Swapped Note; and “**Net Gain**” means the amount, if any, by which the total of the Swapped Note Called Notional Amount and the Swapped Note Called Notional Accrued Interest Amount is exceeded by the sum of (x) the total of the Swapped Note Called Principal and the Swapped Note Called Accrued Interest Amount plus (or minus in the case of an amount paid) (y) the Swap Breakage Amount received (or paid) by such holder. For purposes of any determination of any “Net Loss” or “Net Gain,” the Swapped Note Called Principal and the Swapped Note Called Accrued Interest Amount shall be determined by the holder of the affected Swapped Note by converting Yen into Dollars at the current Yen/Dollar exchange rate as determined as of 10:00 a.m. (New York City time) on the day such Swapped Note is prepaid or accelerated as indicated on the applicable screen of Bloomberg Financial Markets or the Reuters Screen, respectively, and any such calculation shall be reported to the Company in reasonable detail and shall be binding on the Company absent demonstrable error.

As used in this Agreement, “**Swap Breakage Amount**” means, with respect to the Swap Note Agreement associated with any Swapped Note, in determining the Net Loss or Net Gain, the Dollar amount that would be received (in which case the Swap Breakage Amount shall be positive) or paid (in which case the Swap Breakage Amount shall be negative) by the holder of such Swapped Note as if such Swap Note Agreement had terminated due to the occurrence of an event of default or an early termination under the ISDA 1992 Multi-Currency Cross Border Master Agreement or ISDA 2002 Master Agreement, as applicable (the “**ISDA Master Agreement**”); provided, however, that if such holder (or its predecessor in interest with respect to such Swapped Note) was, but is not at the time, a party to an Original Swap Agreement but is a party to a New Swap Agreement, then the Swap Breakage Amount shall mean the lesser of (x) the gain or loss (if any) which would have been received or incurred (by payment, through offset or netting or otherwise) by the holder of such Swapped Note under the terms of the Original Swap Agreement (if any) in respect of such Swapped Note to which such holder (or any affiliate thereof) was a party (or if such holder was never a party to an Original Swap Agreement, then the last Original Swap Agreement to which the most recent predecessor in interest to such holder as a holder of a Swapped Note was a party) and which would have arisen as a result of the payment of the Swapped Note Called Principal on the Swapped Note Settlement Date and (y) the gain or loss (if any) actually received or incurred by the holder of such Swapped Note, in connection with the payment of such Swapped Note Called Principal on the Swapped Note Settlement Date, under the terms of the New Swap Agreement to which such holder (or any affiliate thereof) is a party. The holder of such Swapped Note will make all calculations related to the Swap Breakage Amount in good faith and in accordance with its customary practices for calculating such amounts under the ISDA Master Agreement pursuant to which such Swap Note Agreement shall have been entered into and assuming for the purpose of such calculation that there are no other transactions entered into pursuant to such ISDA Master Agreement (other than such Swap Note Agreement).

The Swap Breakage Amount shall be payable in Dollars.

9. AFFIRMATIVE COVENANTS.

From the date of this Agreement until the Closing and thereafter, the Company covenants that so long as any of the Notes are outstanding:

9.1. Compliance with Law.

Without limiting Section 10.7, the Company will, and will cause each of its Subsidiaries to, comply with all laws, ordinances or governmental rules or regulations to which each of them is subject, including, without limitation, ERISA, Environmental Laws, the USA PATRIOT Act and the other laws and regulations that are referred to in Section 5.16, and will obtain and maintain in effect all licenses, certificates, permits, franchises and other governmental authorizations necessary to the ownership of their respective properties or to the conduct of their respective businesses, in each case to the extent necessary to ensure that non-compliance with such laws, ordinances or governmental rules or regulations or failures to obtain or maintain in effect such licenses, certificates, permits, franchises and other governmental authorizations would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

9.2. Insurance.

The Company will, and will cause each of its Subsidiaries to, maintain, with financially sound and reputable insurers, insurance with respect to their respective properties and businesses against such casualties and contingencies, of such types, on such terms and in such amounts (including deductibles, co-insurance and self-insurance, if adequate reserves are maintained with respect thereto) as is customary in the case of entities of established reputations engaged in the same or a similar business and similarly situated, except for any non-maintenance that would not reasonably be expected to have a Material Adverse Effect.

9.3. Maintenance of Properties.

The Company will, and will cause each of its Subsidiaries to, maintain and keep, or cause to be maintained and kept, their respective properties in good repair, working order and condition (other than ordinary wear and tear), so that the business carried on in connection therewith may be conducted in the ordinary course at all times, *provided* that this Section shall not prevent the Company or any Subsidiary from discontinuing the operation and the maintenance of or disposing of any of its properties if such discontinuance or disposal is desirable in the conduct of its business and the Company has concluded that such discontinuance or disposal would not, individually or in the aggregate, (i) reasonably be expected to have a Material Adverse Effect or (ii) would not violate the limitations set forth in Sections 10.4 and 10.5 hereof.

9.4. Payment of Taxes and Claims.

The Company will, and will cause each of its Subsidiaries to, file all tax returns required to be filed in any jurisdiction and to pay and discharge all taxes shown to be due and payable on such returns and all other taxes, assessments, governmental charges, or levies imposed on them or any of their properties, assets, income or franchises, to the extent such taxes and assessments have become due and payable and before they have become delinquent and all claims for which sums have become due and payable that have or might become a Lien on properties or assets of the Company or any Subsidiary not permitted by Section 10.3, *provided* that neither the Company nor any Subsidiary need pay any such tax or assessment or claims if (i) the amount, applicability or validity thereof is contested by the Company or such Subsidiary on a timely basis in good faith and in appropriate proceedings, and the Company or a Subsidiary has established adequate reserves therefor in accordance with GAAP on the books of the Company or such Subsidiary or (ii) the non-filing or nonpayment, as the case may be, of any such taxes and assessments in the aggregate would not reasonably be expected to have a Material Adverse Effect.

9.5. Corporate Existence, Etc.

Subject to Sections 10.4 and 10.5, the Company will at all times preserve and keep in full force and effect its corporate existence, and will at all times preserve and keep in full force and effect the corporate existence of each of its Subsidiaries unless, in the good faith judgment of the Company, the termination of or failure to preserve and keep in full force and effect such corporate existence would not, individually or in the aggregate, have a Material Adverse Effect.

9.6. [Reserved.]

9.7. Notes to Rank Pari Passu.

The Notes and all other obligations under this Agreement of the Company are and at all times shall remain direct obligations of the Company ranking at least *pari passu* in right of payment with all other Notes from time to time issued by the Company and outstanding hereunder without any preference among themselves and at least *pari passu* in right of payment with all Debt outstanding under the Principal Credit Facilities and all other present and future Debt (actual or contingent) of the Company which is not expressed to be subordinate or junior in rank to any other Debt of the Company.

9.8. Subsidiary Guarantors.

(a) The Company will cause each of its Domestic Subsidiaries that guarantees, or otherwise becomes liable at any time as a borrower or an additional

borrower or co-borrower for or in respect of, any Debt under any Principal Credit Facility, to deliver to each of the holders of Notes (concurrently therewith) the following items:

(i) a duly executed Subsidiary Guaranty in scope, form and substance reasonably satisfactory to the Required Holders;

(ii) a certificate signed by an authorized Responsible Officer of the Company making representations and warranties to the effect of those contained in Sections 5.4, 5.6 and 5.7, with respect to such Domestic Subsidiary and the Subsidiary Guaranty, as applicable; and

(iii) an opinion of counsel (who may be in-house counsel for the Company) addressed to each of the holders of the Notes reasonably satisfactory to the Required Holders, to the effect that the Subsidiary Guaranty by such Person has been duly authorized, executed and delivered and that the Subsidiary Guaranty constitutes the legal, valid and binding contract and agreement of such Person enforceable in accordance with its terms, except as an enforcement of such terms may be limited by bankruptcy, insolvency, fraudulent conveyance and similar laws affecting the enforcement of creditors' rights generally and by general equitable principles.

(b) At the election of the Company and by written notice to each holder of Notes, any Subsidiary Guarantor may be discharged from all of its obligations and liabilities under its Subsidiary Guaranty and shall be automatically released from its obligations thereunder without the need for the execution or delivery of any document by the holders, *provided* that (i) if such Subsidiary Guarantor is a guarantor in respect of any Principal Credit Facility, such Subsidiary Guarantor has been released and discharged (or will be released and discharged concurrently with the release of such Subsidiary Guarantor under its Subsidiary Guaranty) under all such Principal Credit Facilities, (ii) at the time of, and after giving effect to, such release and discharge, no Default or Event of Default shall be existing, (iii) no amount is then due and payable under such Subsidiary Guaranty, (iv) if in connection with such Subsidiary Guarantor being released and discharged under any Principal Credit Facility, any fee or other form of consideration is given to any holder of Debt under such Principal Credit Facility for such release or discharge, the holders of Notes shall receive equivalent consideration substantially concurrently therewith and (v) each holder shall have received a certificate of a Responsible Officer certifying as to the matters set forth in clauses (i) through (iv). In the event of any such release, for purposes of Section 10.9, all Debt of such Subsidiary shall be deemed to have been incurred concurrently with such release.

9.9. Books and Records.

The Company will, and will cause each of its Subsidiaries to, maintain in all material respects proper books of record and account in conformity with GAAP (or with respect to any

Subsidiary organized and operating in a jurisdiction other than the United States of America, in conformity to such jurisdiction's generally accepted accounting principles) and all applicable requirements of any Governmental Authority having legal or regulatory jurisdiction over the Company or such Subsidiary, as the case may be.

If the Company fails to comply with any provision of Section 9 on or after the date of this Agreement and prior to the Closing and such a failure is continuing at the time of the Closing, then any of the Purchasers may elect not to purchase the Notes on the date of Closing that is specified in Section 3.

10.2. [Reserved.]

10.3. Limitation on Liens

The Company will not create or suffer to exist, or permit any of its Subsidiaries to create or suffer to exist, any Lien on or with respect to any of its properties, whether now owned or hereafter acquired, other than:

(a) Permitted Liens;

(b) Liens securing purchase money Debt or Debt with respect to Capital Leases incurred to finance the acquisition, repair, construction, improvement or lease of capital

assets in an aggregate principal amount not to exceed \$300,000,000 outstanding at any one time; provided that (i) such Liens shall be created within 365 days of the acquisition, repair, construction, improvement or lease, as applicable, of the related property and (ii) such Liens do not at any time encumber any property other than the property being financed or improved by such Debt;

(c) Liens existing on the date hereof and disclosed on Schedule 10.3 hereof;

(d) Liens on property of a Person existing at the time such Person is merged into or consolidated with the Company or any Subsidiary of the Company or becomes a Subsidiary of the Company or Liens assumed by the Company or a Subsidiary in connection with an acquisition of assets by the Company or such Subsidiary in an acquisition permitted hereunder; *provided* that such Liens were not created in contemplation of such merger, consolidation, acquisition or such Person becoming a Subsidiary and do not extend to any assets other than those of the Person so merged into or consolidated with the Company or which becomes a Subsidiary or is acquired by the Company or a Subsidiary;

(e) any replacement, extension or renewal of any Lien permitted by clauses (b), (c) or (d) of this Section 10.3, *provided* that (i) no additional property shall be encumbered by such Liens and (ii) the principal amount of Debt secured by such Lien immediately prior to such replacement, extension or renewal shall not be increased; and

10.4. Sales of Assets.

The Company will not, and will not permit any Subsidiary to, sell, lease or otherwise dispose of any substantial part (as defined below) of the assets of the Company and its Subsidiaries; *provided, however*, that the Company or any Subsidiary may sell, lease or otherwise dispose of assets constituting a substantial part of the assets of the Company and its Subsidiaries if, at such time and after giving effect thereto, no Default or Event of Default shall have occurred and be continuing and an amount equal to the net proceeds received from such sale, lease or other disposition (but only with respect to that portion of such assets that exceeds

the definition of “substantial part” set forth below) shall be used within 365 days of such sale, lease or disposition, in any combination:

(1) to acquire operating assets used or useful in carrying on the business of the Company and its Subsidiaries and having a value at least equal to the value of such assets sold, leased or otherwise disposed of (but only with respect to that portion of such assets that exceeds the definition of “substantial part” set forth below); and/or

(2) to prepay or retire Senior Debt of the Company and/or its Subsidiaries, *provided* that (i) the Company shall offer to prepay each outstanding Note in a principal amount which equals the Ratable Portion for such Note, and (ii) any such prepayment of the Notes shall be made at par, together with accrued interest thereon to, but not including, the date of such prepayment, plus any Net Loss with respect to any Swapped Note and, subject to Section 8.11, less any Net Gain with respect to any Swapped Note, but without the payment of the Make-Whole Amount, if any. Any offer of prepayment of the Notes pursuant to this Section 10.4 shall be given to each holder of the Notes by written notice that shall be delivered not less than fifteen (15) days and not more than sixty (60) days prior to the proposed prepayment date. Each such notice shall state that it is given pursuant to this Section and Section 8.4 of this Agreement, that the offer set forth in such notice must be accepted by such holder in writing and shall also set forth (i) the prepayment date, (ii) a description of the circumstances which give rise to the proposed prepayment and (iii) a calculation of the Ratable Portion for such holder’s Notes. Each holder of the Notes which desires to have its Notes prepaid shall notify the Company in writing delivered not less than five (5) Business Days prior to the proposed prepayment date of its acceptance of such offer of prepayment. The Company shall prepay on the prepayment date the Ratable Portion of Notes held by each holder of Notes that has accepted such offer, together with accrued interest thereon.

As used in this Section 10.4, a sale, lease or other disposition of assets shall be deemed to be a “*substantial part*” of the assets of the Company and its Subsidiaries if the book value of such assets, when added to the book value of all other assets sold, leased or otherwise disposed of by the Company and its Subsidiaries during the period beginning on the first day of the 12th complete calendar month preceding the date of such sale, lease or other disposition and ending on such date, exceeds 15% of the book value of Consolidated Total Assets, determined as of the end of the fiscal quarter immediately preceding such sale, lease or other disposition; *provided* that there shall be excluded from any determination of a “substantial part” (i) any sale or disposition of assets in the ordinary course of business of the Company and its Subsidiaries, (ii) any transfer of assets from the Company to any Subsidiary or from any Subsidiary to the Company or a Subsidiary, (iii) any sale or transfer of property acquired by the Company or any Subsidiary after the date of this Agreement to any Person within 365 days following the acquisition or construction of such property by the Company or any Subsidiary if the Company or a Subsidiary shall concurrently with such sale or transfer, lease such property, as lessee, (iv)

any sale or disposition of obsolete, worn-out, uneconomical or surplus assets and (v) foreclosures on, or condemnations of, assets.

10.5. Merger and Consolidation.

The Company will not, and will not permit any of its Subsidiary Guarantors to, consolidate with or merge with any other Person or convey, transfer or lease all or substantially all of its assets as an entirety in a single transaction or series of transactions to any Person, unless:

(a) in the case of any such transaction involving the Company, either the Company is the surviving Person or the successor formed by such consolidation or the survivor of such merger or the Person that acquires by conveyance, transfer or lease all or substantially all of the assets of the Company as an entirety, as the case may be, (i) shall be a solvent corporation or limited liability company organized and existing under the laws of the United States or any state thereof (including the District of Columbia), (ii) shall have executed and delivered to each holder of any Notes its assumption of the due and punctual performance and observance of each covenant and condition of this Agreement and the Notes and (iii) shall have caused to be delivered to each holder of any Notes an opinion of nationally recognized independent counsel, or other independent counsel reasonably satisfactory to the Required Holders, to the effect that all agreements or instruments effecting such assumption hereunder are enforceable in accordance with their terms and comply with the terms hereof;

(b) in the case of any such transaction involving a Subsidiary Guarantor, the successor formed by such consolidation or the survivor of such merger or the Person that acquires by conveyance, transfer or lease all or substantially all of the assets of such Subsidiary Guarantor as an entirety, as the case may be, shall be (i) the Company, such Subsidiary Guarantor or another Subsidiary Guarantor; (ii) a solvent corporation or limited liability company (other than the Company or another Subsidiary Guarantor) that is organized and existing under the laws of the United States or any state thereof (including the District of Columbia) or the jurisdiction of organization of such Subsidiary Guarantor, provided that such corporation or limited liability company, to the extent not the Subsidiary Guarantor, shall have executed and delivered to each holder of Notes its assumption of the due and punctual performance and observance of each covenant and condition of the Subsidiary Guaranty of such Subsidiary Guarantor, and (B) the Company shall have caused to be delivered to each holder of Notes an opinion of nationally recognized independent counsel in the appropriate jurisdiction(s), or other independent counsel reasonably satisfactory to the Required Holders, to the effect that all agreements or instruments effecting such assumption hereunder are enforceable in accordance with their terms and comply with the terms hereof; or (iii) any other Person so long as the transaction is treated as a disposition of all of the assets of such Subsidiary Guarantor for purposes of Section 10.4 and, based on such characterization, would be permitted pursuant to Section 10.4;

(c) each Subsidiary Guarantor under any Subsidiary Guaranty that is outstanding at the time such transaction or each transaction in such a series of transactions occurs reaffirms its obligations under such Subsidiary Guaranty in writing at such time pursuant to documentation that is reasonably acceptable to the Required Holders; and

(d) immediately before and immediately after giving effect to such transaction or each transaction in any such series of transactions, no Default or Event of Default shall have occurred and be continuing.

No such conveyance, transfer or lease of substantially all of the assets of the Company or any Subsidiary Guarantor shall have the effect of releasing the Company or such Subsidiary Guarantor, as the case may be, or any successor corporation or limited liability company that shall theretofore have become such in the manner prescribed in this Section 10.5, from its liability under (x) this Agreement or the Notes (in the case of the Company) or (z) the Subsidiary Guaranty (in the case of any Subsidiary Guarantor), unless, in the case of the conveyance, transfer or lease of substantially all of the assets of a Subsidiary Guarantor, such Subsidiary Guarantor is released from its Subsidiary Guaranty in accordance with Section 9.8(b) in connection with or immediately following such conveyance, transfer or lease.

10.6. Transactions with Affiliates.

The Company will not and will not permit any Subsidiary to enter into directly or indirectly any Material transaction or Material group of related transactions (including, without limitation, to the extent Material, the purchase, lease, sale or exchange of properties of any kind or the rendering of any service) with any Affiliate (other than the Company or another Subsidiary), except upon fair and reasonable terms that are not materially less favorable, taken as a whole, to the Company or such Subsidiary than would be obtainable in a comparable arm's-length transaction with a Person not an Affiliate; provided, that the foregoing restriction shall not apply to any of the following: (a) reasonable and customary fees paid to members of the board of directors (or similar governing body) of the Company and its Subsidiaries; (b) compensation arrangements (including severance arrangements to the extent approved by a majority of the disinterested members of the Company's or the applicable Subsidiary's board of directors (or similar governing body) or the applicable committee thereof) for present or former officers and other employees entered into in the ordinary course of business; (c) indemnities provided for the benefit of directors, officers or employees of the Company and its Subsidiaries in the ordinary course of business; and (d) loans and advances to employees of the Company and its Subsidiaries permitted hereunder, in each case under this clause (d), solely to the extent consistent with past practices and in the ordinary course of business. As used herein, "Material" shall mean an amount equal to at least 5% of book value of the consolidated assets of the Company and its Subsidiaries.

10.7. Terrorism Sanctions Regulations.

Neither the Company will nor will it permit any Controlled Entity to (a) become (including by virtue of being owned or controlled by a Blocked Person), own or control a Blocked Person or (b) directly or indirectly have any investment in or engage in any dealing or transaction (including any investment, dealing or transaction involving the proceeds of the Notes) with any Person if such investment, dealing or transaction (i) would be in violation of any U.S. Economic Sanctions applicable to the Company or such Controlled Entity, or (ii) would result in the imposition of any U.S. Economic Sanctions against the Company or such Controlled Entity, except, in the case of this clause (b), to the extent that such violation or sanctions, if imposed, could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

10.8. Line of Business.

The Company will not and will not permit any Subsidiary to engage in any business if, as a result, the general nature of the business in which the Company and its Subsidiaries, taken as a whole, would then be engaged would be substantially changed from the general nature of the business in which the Company and its Subsidiaries, taken as a whole, are engaged on the date of this Agreement.

10.9. Subsidiary Debt.

The Company will not permit any of its Subsidiaries to create or suffer to exist any Debt other than:

(a) Debt owed to the Company or any other Subsidiary of the Company;

(b) Debt existing on the date hereof and disclosed on Schedule 10.9 hereof;

(i) Debt deemed to exist in connection with agreements providing for indemnification, adjustment of purchase price, deferred purchase price, escrow arrangements, earn-outs or similar obligations, or from guaranties, surety bonds or performance bonds securing the performance of the Company or any of its Subsidiaries pursuant to such agreements, in connection with acquisitions or dispositions permitted hereunder;

(j) Debt which serves to extend, replace, refund, renew, defease or refinance any Debt incurred under clause (b) or clause (f) of this Section 10.9 that does not increase the outstanding principal amount thereof (other than with respect to unpaid accrued interest and premiums (including tender premiums) thereon, any committed or undrawn amounts, defeasance costs, underwriting discounts, fees, commissions and expenses associated with such Debt); and

(k) additional Debt, *provided* that the sum (without duplication) of (i) the aggregate outstanding principal amount of Debt pursuant to this clause (k) *plus* (ii) the aggregate outstanding principal amount of Debt secured by Liens pursuant to Section 10.3(f) shall not at any time exceed 15% of Consolidated Net Worth (determined as of the end of the then most recently ended fiscal quarter of the Company for which financial statements have been provided pursuant to Section 7.1(a) or Section 7.1(b)).

Prior to the Closing, if the Company fails to comply with any provision of Section 10 before or after giving effect to the issuance of the Notes on a *pro forma* basis, and if such a failure is continuing at the time of the Closing, then any of the Purchasers may elect not to purchase its Notes on the date of Closing that is specified in Section 3.

11. EVENTS OF DEFAULT.

An “**Event of Default**” shall exist if any of the following conditions or events shall occur and be continuing:

(a) the Company defaults in the payment of any principal or Make-Whole Amount or Net Loss, if any, on any Note when the same becomes due and payable, whether at maturity or at a date fixed for prepayment or by declaration or otherwise; or

12. REMEDIES ON DEFAULT, ETC.

12.1. Acceleration.

(a) If an Event of Default with respect to the Company described in paragraph (h) or (i) of Section 11 (other than an Event of Default described in clause (i) of paragraph (h) or described in clause (vi) of paragraph (h) by virtue of the fact that such clause encompasses clause (i) of paragraph (h)) has occurred, all Notes then outstanding shall automatically become immediately due and payable.

(b) If any other Event of Default has occurred and is continuing, any holder or holders of more than 50% in aggregate principal amount of the Notes at the time outstanding may at any time at its or their option, by notice or notices to the Company, declare all Notes then outstanding to be immediately due and payable.

(c) If any Event of Default described in paragraph (a) or (b) of Section 11 has occurred and is continuing with respect to any Notes, any holder or holders of Notes at the time outstanding affected by such Event of Default may at any time, at its or their option, by notice or notices to the Company, declare all the Notes held by such holder or holders to be immediately due and payable.

Upon any Notes becoming due and payable under this Section 12.1, whether automatically or by declaration, such Notes will forthwith mature and the entire unpaid principal amount of such Notes, plus (i) all accrued and unpaid interest thereon (including, but not limited to, interest accrued thereon at the Default Rate) plus (ii) the Make-Whole Amount, if any, determined in respect of such principal amount (to the full extent permitted by applicable law) plus (iii) any Net Loss with respect to any Swapped Note, shall all be immediately due and payable, in each and every case without presentment, demand, protest or further notice, all of

which are hereby waived. The Company acknowledges, and the parties hereto agree, that each holder of a Note has the right to maintain its investment in the Notes free from repayment by the Company (except as herein specifically provided for) and that the provision for payment of a Make-Whole Amount by the Company in the event that the Notes are prepaid or are accelerated as a result of an Event of Default, is intended to provide compensation for the deprivation of such right under such circumstances.

12.2. Other Remedies.

If any Default or Event of Default has occurred and is continuing, and irrespective of whether any Notes have become or have been declared immediately due and payable under Section 12.1, the holder of any Note at the time outstanding may proceed to protect and enforce the rights of such holder by an action at law, suit in equity or other appropriate proceeding, whether for the specific performance of any agreement contained herein or in any Note or Subsidiary Guaranty, or for an injunction against a violation of any of the terms hereof or thereof, or in aid of the exercise of any power granted hereby or thereby or by law or otherwise.

12.3. Rescission.

At any time after any Notes have been declared due and payable pursuant to clause (b) or (c) of Section 12.1, the Required Holders, by written notice to the Company, may rescind and annul any such declaration and its consequences if (a) the Company has paid all overdue interest on the Notes, all principal of and Make-Whole Amount, if any, and Net Loss, if any, on such Notes that are due and payable and are unpaid other than by reason of such declaration, and all interest on such overdue principal and Make-Whole Amount and Net Loss, if any, and (to the extent permitted by applicable law) any overdue interest in respect of such Notes, at the Default Rate, (b) neither the Company nor any other Person shall have paid any amounts which have become due solely by reason of such declaration, (c) all Events of Default and Defaults, other than non-payment of amounts that have become due solely by reason of such declaration, have been cured or have been waived pursuant to Section 18, and (d) no judgment or decree has been entered for the payment of any monies due pursuant hereto or to any Notes. No rescission and annulment under this Section 12.3 will extend to or affect any subsequent Event of Default or Default or impair any right consequent thereon.

12.4. No Waivers or Election of Remedies, Expenses, Etc.

No course of dealing and no delay on the part of any holder of any Note in exercising any right, power or remedy shall operate as a waiver thereof or otherwise prejudice such holder's rights, powers or remedies. No right, power or remedy conferred by this Agreement, any Subsidiary Guaranty or by any Note upon any holder thereof shall be exclusive of any other right, power or remedy referred to herein or therein or now or hereafter available at law, in equity, by statute or otherwise. Without limiting its obligations under Section 16, the Company will pay to the holder of each Note on demand such further amount as shall be sufficient to cover

all costs and expenses of such holder incurred in any enforcement or collection under this Section 12, including, without limitation, reasonable attorneys' fees, expenses and disbursements.

13. RESERVED.

Prior to due presentment for registration of transfer, the Person in whose name any Note shall be registered shall be deemed and treated as the owner and holder thereof for all purposes hereof, and the Company shall not be affected by any notice or knowledge to the contrary. The Company shall give to any holder of a Note that is an Institutional Investor promptly upon request therefor, a complete and correct copy of the names and addresses of all registered holders of the Notes.

14.2. Transfer and Exchange of Notes.

Upon surrender of any Note to the Company at the address and to the attention of the designated officer (all as specified in Section 19(iii)), for registration of transfer or exchange (and in the case of a surrender for registration of transfer accompanied by a written instrument of transfer duly executed by the registered holder of such Note or such holder's attorney duly authorized in writing and accompanied by the relevant name, address and other information for notices of each transferee of such Note or part thereof), within ten Business Days thereafter, the Company shall execute and deliver, at the Company's expense (except as provided below), one or more new Notes (as requested by the holder thereof) in exchange therefor, in an aggregate principal amount equal to the unpaid principal amount of the surrendered Note. Each such new Note shall be payable to such Person as such holder may request in accordance with this Agreement, and shall be substantially in the form of the Note originally issued hereunder. Each such new Note shall be dated and bear interest from the date to which interest shall have been paid on the surrendered Note or dated the date of the surrendered Note if no interest shall have been paid thereon. The Company may require payment of a sum sufficient to cover any stamp tax or governmental charge imposed in respect of any such transfer of Notes. Notes shall not be transferred in denominations of less than ¥100,000,000, *provided* that if necessary to enable the registration of transfer by a holder of its entire holding of Notes, one Note may be in a denomination of less than ¥100,000,000. Any transferee, by its acceptance of a Note registered in its name (or the name of its nominee), shall be deemed to have made the representation set forth in Section 6.3, *provided*, that in lieu thereof such holder may (in reliance upon information provided by the Company, which shall not be unreasonably withheld) make a representation to

the effect that the purchase by any holder of any Note will not constitute a non-exempt prohibited transaction under section 406(a) of ERISA.

The Notes have not been registered under the Securities Act (or, to the extent applicable, the Financial Instruments and Exchange Act) or under the securities laws of any state and may not be transferred or resold unless registered under the Securities Act (or, to the extent applicable, the Financial Instruments and Exchange Act) and all applicable state securities laws or unless an exemption from the requirement for such registration is available.

14.3. Replacement of Notes.

Upon receipt by the Company at the address and to the attention of the designated officer (all as specified in Section 19(iii)) of evidence reasonably satisfactory to it of the ownership of and the loss, theft, destruction or mutilation of any Note (which evidence shall be, in the case of an Institutional Investor, notice from such Institutional Investor of such ownership and such loss, theft, destruction or mutilation), and

(a) in the case of loss, theft or destruction, of indemnity reasonably satisfactory to it (*provided* that if the holder of such Note is, or is a nominee for, an original Purchaser or another holder of a Note with a minimum net worth of at least \$50,000,000 or a Qualified Institutional Buyer, such Person's own unsecured agreement of indemnity shall be deemed to be satisfactory), or

(b) in the case of mutilation, upon surrender and cancellation thereof,

the Company at its own expense shall execute and deliver not more than five Business Days following satisfaction of such conditions, in lieu thereof, a new Note as such lost, stolen, destroyed or mutilated Notes issued by the Company, dated and bearing interest from the date to which interest shall have been paid on such lost, stolen, destroyed or mutilated Note or dated the date of such lost, stolen, destroyed or mutilated Note if no interest shall have been paid thereon.

15. PAYMENTS ON NOTES.

15.1. Place of Payment.

Subject to Section 15.2, payments of principal, Make-Whole Amount, if any, Net Loss, if any, and interest becoming due and payable on the Notes shall be made in New York, New York at the principal office of Bank of America, N.A. in such jurisdiction. The Company may at any time, by notice to each holder of a Note, change the place of payment of such Notes so long as such place of payment shall be either the principal office of the Company in such jurisdiction or the principal office of a bank or trust company in such jurisdiction.

15.2. Home Office Payment.

So long as any Purchaser or such Purchaser's nominee shall be the holder of any Note, and notwithstanding anything contained in Section 15.1 or in such Note to the contrary, the Company will pay all sums becoming due on such Note for principal, Make-Whole Amount, if any, Net Loss, if any, interest and all other amounts becoming due hereunder by the method and at the address specified for such purpose for such Purchaser on Schedule A hereto, or by such other method or at such other address as such Purchaser shall have from time to time specified to the Company in writing for such purpose, without the presentation or surrender of such Note or the making of any notation thereon, except that upon written request of the Company made concurrently with or reasonably promptly after payment or prepayment in full of any Note issued by the Company, such Purchaser shall surrender such Note for cancellation, reasonably promptly after any such request, to the Company at its principal executive office or at the place of payment most recently designated by the Company pursuant to Section 15.1. Prior to any sale or other disposition of any Note held by any Purchaser or its nominee, such Purchaser will, at its election, either endorse thereon the amount of principal paid thereon and the last date to which interest has been paid thereon or surrender such Note to the Company in exchange for a new Note or Notes pursuant to Section 14.2. The Company will afford the benefits of this Section 15.2 to any Institutional Investor that is the direct or indirect transferee of any Note issued by the Company and purchased by a Purchaser under this Agreement that has made the same agreement relating to such Note as the Purchasers have made in this Section 15.2.

16. EXPENSES, ETC.

16.1. Transaction Expenses.

Whether or not the transactions contemplated hereby are consummated, the Company will pay all out-of-pocket costs and expenses (including reasonable and documented attorneys' fees of a special counsel for the Purchasers and, if reasonably required by the Required Holders, local or other counsel) reasonably incurred by each Purchaser and each other holder of a Note in connection with such transactions and in connection with any amendments, waivers or consents under or in respect of this Agreement, the Notes and any Subsidiary Guaranty (whether or not such amendment, waiver or consent becomes effective) including, without limitation: (a) the costs and expenses incurred in enforcing or defending (or determining whether or how to enforce or defend) any rights under this Agreement, the Notes or any Subsidiary Guaranty or in responding to any subpoena or other legal process or informal investigative demand issued in connection with this Agreement, the Notes or any Subsidiary Guaranty, or by reason of being a holder of any Note, (b) the costs and expenses, including financial advisors' fees, incurred in connection with the insolvency or bankruptcy of the Company or any Subsidiary or in connection with any work-out or restructuring of the transactions contemplated hereby, by the Notes and any Subsidiary Guaranty and (c) the costs and expenses incurred in connection with the initial filing of this Agreement and all related documents and financial information with the

SVO provided that such costs and expenses under this clause (c) shall not exceed \$30,500. The Company will pay, and will save each Purchaser and each other holder of a Note harmless from, (i) all claims in respect of any fees, costs or expenses if any, of brokers and finders (other than those, if any, retained by a Purchaser or other holder in connection with its purchase of the Notes) and (ii) any and all wire transfer fees that any bank deducts from any payment under such Note to such holder or otherwise charges to a holder of a Note with respect to a payment under such Note.

16.2. Survival.

The obligations of the Company under this Section 16 will survive the payment or transfer of any Note, the enforcement, amendment or waiver of any provision of this Agreement, the Notes or any Subsidiary Guaranty, and the termination of this Agreement.

17. SURVIVAL OF REPRESENTATIONS AND WARRANTIES; ENTIRE AGREEMENT.

All representations and warranties contained herein or in any certificate or other instrument delivered by or on behalf of the Company pursuant to this Agreement shall survive the execution and delivery of this Agreement and the Notes, the purchase or transfer by any Purchaser of any such Note or portion thereof or interest therein and the payment of any Note and may be relied upon by any subsequent holder of any such Note, regardless of any investigation made at any time by or on behalf of any Purchaser or any other holder of any such Note. Subject to the preceding sentence, this Agreement, the Notes and any Subsidiary Guaranty embody the entire agreement and understanding between the Purchasers and the Company and supersede all prior agreements and understandings relating to the subject matter hereof (other than the Company's undertakings with respect to any swap indemnity letter, in each case issued on or about May 30, 2019, which shall survive).

18. AMENDMENT AND WAIVER.

18.1. Requirements.

This Agreement and the Notes may be amended, and the observance of any term hereof or of the Notes may be waived (either retroactively or prospectively), with (and only with) the written consent of the Company and the Required Holders, except that (a) no amendment or waiver of any of the provisions of Section 1, 2, 3, 4, 6 or 22 hereof, or any defined term (as it is used therein), will be effective as to any holder of Notes unless consented to by such holder of Notes in writing, and (b) no such amendment or waiver may, without the written consent of each holder of a Note at the time outstanding (exclusive of Notes then owned by the Company or any of its Affiliates and any Notes held by parties who are contractually required to abstain from voting with respect to matters affecting the holders of the Notes), (A) subject to the provisions of Section 12 relating to acceleration or rescission, change the amount or time of any prepayment or payment of principal of, or reduce the rate or change the time of payment or method of

18.2. Solicitation of Holders of Notes.

(a) *Solicitation.* The Company will provide each Purchaser (prior to the Closing) and each holder of the Notes (irrespective of the amount of Notes then owned by it) with such information as requested, in advance of the date a decision is required, to enable such Purchaser (prior to the Closing) and such holder to make an informed and considered decision with respect to any proposed amendment, waiver or consent in respect of any of the provisions hereof or of the Notes or any Subsidiary Guaranty. The Company will deliver executed or true and correct copies of each amendment, waiver or consent effected pursuant to the provisions of this Section 18 to each Purchaser (prior to the Closing) and each holder of outstanding Notes promptly following the date on which it is executed and delivered by, or receives the consent or approval of, the requisite Purchasers (prior to the Closing) or holders of Notes.

(b) *Payment.* The Company will not directly or indirectly pay or cause to be paid any remuneration, whether by way of supplemental or additional interest, fee or otherwise, or grant any security or provide other credit support, to any Purchaser (prior to the Closing) or holder of Notes as consideration for or as an inducement to the entering into by such Purchaser (prior to the Closing) or holder of Notes of any waiver or amendment of any of the terms and provisions hereof or any Subsidiary Guaranty or any Note unless such remuneration is concurrently paid, or security is concurrently granted or other credit support is concurrently provided, on the same terms, ratably to each Purchaser (prior to the Closing) and each holder of Notes then outstanding even if such Purchaser (prior to the Closing) or holder did not consent to such waiver or amendment.

(c) *Consent in Contemplation of Transfer.* Any consent made pursuant to this Section 18 or any Subsidiary Guaranty by a holder of Notes that has transferred or has agreed to transfer its Notes to the Company, or any Subsidiary or Affiliate thereof and has provided or has agreed to provide such written consent as a condition to such transfer shall be void and of no force or effect except solely as to such holder, and any amendments effected or waivers granted or to be effected or granted that would not have been as would not be so effected or granted but for such consent (and the consents of all other holders of Notes that were acquired under the same or similar conditions) shall be void and of no force or effect except solely as to such holder.

18.3. Binding Effect, Etc.

Any amendment or waiver consented to as provided in this Section 18 or any Subsidiary Guaranty applies equally to all Purchasers and holders of Notes and is binding upon them and upon each future holder of any Note and upon the Company without regard to whether such Note has been marked to indicate such amendment or waiver. No such amendment or waiver will extend to or affect any obligation, covenant, agreement, Default or Event of Default not expressly amended or waived or impair any right consequent thereon. No course of dealing between the Company and any Purchaser or holder of any Note nor any delay in exercising any rights hereunder or under any Note or Subsidiary Guaranty shall operate as a waiver of any rights of any Purchaser or holder of such Note. As used herein, the term “**this Agreement**” and references thereto shall mean this Agreement as it may from time to time be amended or supplemented.

18.4. Notes Held by the Company, Etc.

Solely for the purpose of determining whether the holders of the requisite percentage of the aggregate principal amount of Notes then outstanding approved or consented to any amendment, waiver or consent to be given under this Agreement, the Notes or any Subsidiary Guaranty, or have directed the taking of any action provided herein or in the Notes or any Subsidiary Guaranty to be taken upon the direction of the holders of a specified percentage of the aggregate principal amount of Notes then outstanding, Notes directly or indirectly owned by the Company or any of its Affiliates shall be deemed not to be outstanding.

Each holder of a Note, by its acceptance of a Note, will be deemed to have agreed to be bound by and to be entitled to the benefits of this Section 21 as though it were a party to this Agreement. On reasonable request by the Company in connection with the delivery to any holder of a Note of information required to be delivered to such holder under this Agreement or requested by such holder (other than a holder that is a party to this Agreement or its nominee), such holder will enter into an agreement with the Company embodying the provisions of this Section 21.

Notwithstanding any other provision contained herein, all terms of an accounting or financial nature used herein shall be construed, and all computations of amounts and ratios referred to herein shall be made (a) without giving effect to any election under Accounting Standards Codification 825-10-25 (or any other Accounting Standards Codification or Financial Accounting Standard having a similar result or effect) to value any Debt or other liabilities of the Company or any Subsidiary at “fair

value”, as defined therein, (b) without giving effect to any treatment of Debt in respect of convertible debt instruments under Accounting Standards Codification 470-20 (or any other Accounting Standards Codification or Financial Accounting Standard having a similar result or effect) to value any such Debt in a reduced or bifurcated manner as described therein, and such Debt shall at all times be valued at the full stated principal amount thereof, and (c) without giving effect to Accounting Standards Update No. 2016-02, Lease: Topic 842 issued by the Financial Accounting Standards Board.

any Person, or which such Person is prohibited from taking, such provision shall be applicable whether such action is taken directly or indirectly by such Person.

To the fullest extent permitted by applicable law, the Company irrevocably waives and agrees not to assert, by way of motion, as a defense or otherwise, any claim that it is not subject to the jurisdiction of any such court, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding brought in any such court and any claim that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum.

(b) The Company consents to process being served by or on behalf of any holder of Notes in any suit, action or proceeding of the nature referred to in Section 24.8(a) by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, return receipt requested, to the Company at its address specified in Section 19 or at such other address of which such holder shall then have been notified pursuant to said Section. The Company agrees that such service upon receipt (i) shall be deemed in every respect effective service of process upon it in any such suit, action or proceeding and (ii) shall, to the fullest extent permitted by applicable law, be taken and held to be valid personal service upon and personal delivery to it. Notices hereunder shall be conclusively presumed received as evidenced by a delivery receipt furnished by the United States Postal Service or any reputable commercial delivery service.

(d) The parties hereto hereby waive trial by jury in any action brought on or with respect to this Agreement, the Notes, any Subsidiary Guaranty or any other document executed in connection herewith or therewith.

Subject to Section 8.10(b) and 8.11, any payment on account of an amount that is payable hereunder or under the Notes in Yen which is made to or for the account of any holder of Notes in any other currency, whether as a result of any judgment or order or the enforcement thereof or the realization of any security or the liquidation of the Company or any Subsidiary, shall constitute a discharge of the obligation of the Company under this Agreement or the Notes only to the extent of the amount of Yen which such holder could purchase in the foreign exchange markets in London, England, with the amount of such other currency in accordance with normal banking procedures at the rate of exchange prevailing on the London Banking Day following receipt of the payment first referred to above. If the amount of Yen that could be so purchased is less than the amount of Yen originally due to such holder, the Company agrees to the fullest extent permitted by law, to indemnify and save harmless such holder from and against all loss or damage arising out of or as a result of such deficiency. This indemnity shall, to the fullest extent permitted by law, constitute an obligation separate and independent from the other obligations contained in this Agreement and the Notes, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by such holder from time to time and shall continue in full force and effect notwithstanding any judgment or order for a liquidated sum in respect of an amount due hereunder or under the Notes or under any judgment or order. As used herein the term “**London Banking Day**” shall mean any day other than Saturday or Sunday or a day on which commercial banks are required or authorized by law to be closed in London, England.
